## Additional Notes and Charges

In addition to the Lloyds Bank tariffs for each trade finance product, please see below additional notes and charges that form part of the overall trade tariff.

- No charge (whether actual or minimum) levied on the issuance of Documentary Credit, Guarantee or Standby Letter of Credit is refundable, even if the Documentary Credit, Guarantee or Standby Letter of Credit is cancelled, reduced, expires unutilised or is partially utilised. This charge is to cover the Bank's costs for the issuance of the product.
- Lloyds Bank reserves the right to charge additional fees towards ancillary expenses, charges and interest incurred by us on your behalf. These include any charges levied by other banks. Such additional fees will be advised to you in advance where possible.
- Lloyds Bank will charge additional fees in respect of communication charges as follows:

---

### Communication charges

Courier	£30 per delivery
Special delivery/Airmail	£7 per delivery
Teletransmission	£10 per item
Tracers or Chasers	£5 per item
Correspondence	£15

For most international services, we work through our worldwide network of correspondent banks, who will make a charge for the service they provide. Their charges will vary dependent on bank and country. Usually the Lloyds Bank charges are paid by you and the foreign bank charges are paid by the receiving person abroad (called split/SHA charges). However, you or the receiving person may be able to opt to pay both charges.

Unless otherwise indicated, postage and other out-of-pocket expenses will be charged in addition.

All fees are charged when the service is provided and all charges are per item unless stated otherwise.

As the law stands, most banking services are exempt from VAT. If the situation changes, then we will add VAT at the appropriate rate.

The prices quoted will apply irrespective of the currency in which your account is denominated. If the charges are debited from your currency account, the Sterling equivalent will apply.
