

## OPERATING CONDITIONS - PART III

### PROVISIONS RELATING TO INVOICE DISCOUNTING CLIENTS ONLY

#### 1 AGENCY APPOINTMENT

- 1.1 We appoint you as our agent, at your expense, to administer Customers' accounts and to collect and enforce payment of Invoices for our benefit. You accept such appointment and agree to act promptly and efficiently in carrying out your duties and to follow any instructions which we may give you. You will ensure that all Invoices are promptly and accurately entered in your sales ledger. You will instruct your bankers to transfer to the Trust Account all credit transfers received by you. You will not instruct a solicitor or other agent to collect any Invoice without our prior written approval and, then, only on terms approved by us.
- 1.2 We will open a Trust Account in respect of each Invoice Discounting, Currency and/or Export Facility made available by us to you. All balances in the Trust Account are held on trust for us.
- 1.3 Until we serve notice on you to the contrary, you will direct your Customers to settle their Invoices by making payment directly into the Trust Account. If you receive payment (even if it is made payable to us) you will promptly upon receipt (and in any case no later than 1 Business Day after receipt) pay it into the Trust Account. Alternatively, if we require, you will deliver to us or pay into such bank account as we may nominate all cash or other remittances endorsing the same where necessary. You will keep any payment received by you (other than pursuant to a Scottish Invoice) as our agent, pending payment into the Trust Account or to any other account nominated by us, separate from your own money. Any payment received by you in respect of a Scottish Invoice shall be trust property in accordance with Clause 3.4 of the Agreement and you shall hold such payment separate from your own money pending payment into the Trust Account or to any other account nominated by us.
- 1.4 If your Facility is a Disclosed Invoice Discounting Facility:
  - 1.4.1 we will send a Notice of Assignment to each of your Customers, notifying them of the Assignment of their Invoices and Related Rights;
  - 1.4.2 you must include the wording which we provide to you on each Invoice; and
  - 1.4.3 we may at any time vary or terminate your agency to collect some or all of your Invoices.
- 1.5 If your Facility is a Confidential Invoice Discounting Facility, then for the moment, neither you nor we will give notice to your Customers of the fact that you have assigned your Invoices to us. However, we may at any time vary or terminate your agency to collect either some or all of your Invoices, in which case we may:
  - 1.5.1 send (or require you to send) a Notice of Assignment to some or all of your Customers of the Assignment of their Invoices and the Related Rights to us; and

- 1.5.2 either simultaneously with giving such notice or at a later date, instruct your Customers to pay us directly.
- 1.6 You will confirm to your Customers the effect of any Notice of Assignment served on them. If your agency to collect Invoices has been terminated:
  - 1.6.1 you will cease to hold yourself out as our agent to collect Invoices;
  - 1.6.2 we may require you to send us a copy of your sales and purchase ledgers and such other records as we may require;
  - 1.6.3 we may require you to forward all Invoices to us for issuing by us and we will, at your expense, administer Customers' accounts; and
  - 1.6.4 the provisions of condition 5 (Collection of Invoices) of the Operating Conditions - Part II) shall then apply.
- 1.7 You will pay those costs specified in the Commercial Terms for maintaining the Trust Account.
- 1.8 You hereby authorise us or any person or entity nominated by us or otherwise acting on our behalf to contact your Customers to verify the amount of each Invoice due from them and the due date for payment. If your Facility is a Disclosed Invoice Discounting Facility, we or our nominee may also contact your Customers from time to time regarding payment of their Invoices. You will assist us or our nominee in any way we require and you authorise us and them to disclose their identity if required to do so by law or if requested by a Customer. Any nominee will act on your behalf and will report the results of its investigations to us. Notwithstanding any audit of your sales ledger by us or our nominee you are wholly responsible for:
  - 1.8.1 maintaining proper accounting records as required by law;
  - 1.8.2 complying with your obligations under this Agreement; and
  - 1.8.3 complying with your obligations under any applicable laws, including statute and relevant regulatory rules.
