 - 2.1.2 the **Information Brochure**; and
 - 2.1.3 the information **you** enter when registering for the **Service**.
- 2.2 This agreement replaces any previous terms and conditions or other agreements that may have applied to the **Service**.
- 2.3 If **you** are not an incorporated business or association, and **your** business consists of two or more persons, this agreement applies to each of **you** individually as well as together.
- 2.4 This agreement does not cover any of the other services **we** offer which are subject to separate terms and conditions and legal arrangements. This includes, for the avoidance of doubt, **our** general terms and conditions for **Business Banking Customers** and **our** general terms and conditions for **Commercial Banking Customers**.
- 2.5 If there is a conflict between the provisions of this agreement and the terms of any other legal agreement **you** have with the **Lloyds Banking Group**, the terms of this agreement shall prevail in relation to the **Service** only.
- 2.6 Not all of the features and/or functionality of the **Service** will be available or accessible to all customers.

3. Eligibility

- 3.1 The **Service** provided pursuant to this agreement is intended for **Eligible Customers** only acting in a business capacity. It is not to be used by any person acting in a personal or individual capacity.
- 3.2 **We** can terminate the provision of the **Service** if **we** find out that **you** are not an **Eligible Customer** or if **you** are not using it solely for business purposes. **We**'ll try to tell **you** in advance if this happens, but if it causes (or might cause) **us** to break any rules or laws by continuing to offer **you** the **Service**, **we** would have to close or stop it immediately.

4. The services

- 4.1 In order to access the **Service** you will elect to use one of the **Packages**.
- 4.2 The **Packages** have the features and functionalities as set out in the relevant Information Brochure. Copies of **our** Information Brochure are available on lloydsbank.com/business/product-terms-and-conditions.asp

4.3 **We** will use reasonable care and skill carrying out **our** obligations under this agreement. **We** ask **you** to remember that:

- 4.3.1 some of **our** services are for **your** general guidance and information only and they are based on information that **we** know from **your Lloyds Bank Business Finance Assistant Account**, from existing information held by **Lloyds Banking Group**, from the information **you** have consented to share with **us** which is held by other financial institutions, or other information that **you** have shared with **us**;
- 4.3.2 sometimes **you** should take specialist advice rather than solely relying on **us** or information provided by the Service;

By entering into this agreement with **us**, **you** agree to be bound by the **Payment Services Provider's** terms and conditions and privacy policy, all which **you** can view at:

7. Authority

- 7.1 The following terms apply to partnerships, limited liability partnerships and unincorporated organisations with more than one **Member**:
- 7.1.1 **we** allow instructions to be provided by the **Account Administrator** or a **User**;
 - 7.1.2 each partner or **Member** is jointly and individually liable for all liabilities of the partnership or organisation to **us** together with interest, fees and charges. This means each partner or **Member** is separately responsible to **us** for all debts and liabilities, not just a share of them. **We** may therefore take action against all or any of the partners or **Members**. A **Member's** liability will normally be determined by reference to the organisation's constitution, and may be limited to the extent of their subscription;
 - 7.1.3 if there is a dispute between the partners, **Members** or **Account Administrators** **we** may require all of them to provide instructions and authorisation. If this happens, **we** will not take any action unless it is authorised by all partners or **Members**;
 - 7.1.4 if any partner or **Member** dies or ceases to be a partner of the partnership or organisation, **we** may treat any continuing partners or **Members** as having full power to carry on the partnership or organisation's business and to deal with its assets as if there had been no change. This applies unless **we** receive written notice to the contrary from any of the continuing partners or **Members**, or from the executors, legal personal representatives or trustees of any deceased partner or **Member**;
 - 7.1.5 if any **Account Administrator** dies or ceases to be an **Account Administrator**, **we** may treat any continuing **Account Administrators** as having full power to carry on **your** business and to deal with **your** assets as if there had been no change. This applies unless **we** receive written notice to the contrary from any of the continuing **Account Administrators**, or from the executors, legal personal representatives or trustees of any **Account Administrators**;
 - 7.1.6 if **we** are owed money then:
 - a. when a partner or **Member** dies, the deceased partner's or **Member's** estate remains responsible for paying the debt and **we** may require payment from the deceased partner's or **Member's** assets;
 - b. when a partner or **Member** leaves the partnership or organisation, each partner or **Member** (including the one who has left) remains separately responsible to **us** to repay all the debts;
 - c. the partners or **Members** must notify **us** immediately (in the form **we** require) of any changes in the partnership or organisation, and must ensure that any incoming partners or **Members** sign a confirmation of the existing authorities to **us**,
 - 7.1.7 the **Service** will not be affected by:
 - a. any change in the name of the partnership or organisation; or
 - b. any change in the partners, **Members** or authorised signatories of the partnership as a result of death, bankruptcy, retirement, any new partner(s) or **Member(s)** joining or otherwise.
- 7.2 If **you** are a limited company, and there is a dispute between the directors **we** may require the directors to provide instructions and authorisation. If this happens, **we** will not take any action unless it is authorised by all the directors.

8. User access

- 8.1 At the time **you** sign up to the **Service** **you** must appoint one or more **Account Administrators** to manage and administer the provision of the **Service** to **you** and **you** may delegate access to the **Lloyds Bank Business Finance Assistant Account** to **Users**. You must always have at least one **Account Administrator**.
- 8.2 An **Account Administrator** is responsible for:
 - 8.2.1 appointing and managing **Users**;
 - 8.2.2 allocating the levels of authority and access of each **User**;
 - 8.2.3 administrative tasks such as managing **Security Details**; and
 - 8.2.4 ensuring that all **Users** read and understand the terms and conditions applicable to using the **Service** pursuant to this agreement.
- 8.3 Any **User** must be open and transparent about their identity and act in accordance with the relevant regulatory requirements. **You** will be liable for any losses that **you** or **we** suffer which are caused by the actions or omissions of a **User**. In particular, **you** must ensure that a **User** complies with **our** account security procedures set out in clause 11.

- 8.4 If **you** no longer want a **User** to have access and to view all of the information available on **your Lloyds Bank Business Finance Assistant Account** for any reason, **you** should contact **us** and ask **us** to remove that **User's** access, and **we** will remove that **User's** access as soon as possible.
- 8.5 **We** may refuse to allow a **User** to access **your Lloyds Bank Business Finance Assistant Account** if **we** are concerned about unauthorised or fraudulent access by that **User**. Before **we** do this, **we** will tell **you** and explain **our** reasons for doing so, unless it is not reasonably practicable, in which case **we** will tell **you** immediately afterwards. In either case, **we** will tell **you** in the way which **we** consider most appropriate in the circumstances. **We** won't tell **you** where doing so will undermine **our** reasonable security measures or otherwise be unlawful.

9. Third party access

- 9.1 You can allow one or more **Third Party Users** to access information on **your Lloyds Bank Business Finance Assistant Account**.
- 9.2 If **you** instruct **us** to give a **Third Party User** access to **your Lloyds Bank Business Finance Assistant Account** **you** acknowledge that **we** are not liable for any losses that **you** or **we** suffer which are caused by the actions or omissions of a **Third Party User** when accessing **your Lloyds Bank Business Finance Assistant Account**. In particular, **you** must ensure that a **Third Party User** complies with **our** account security procedures set out in clause 11.
- 9.3 For the avoidance of doubt, no agency, partnership, joint venture or any other type of similar relationship exists between **us** and a **Third Party User** when providing the **Service** and **we** are not responsible for any legal relationship or other arrangements **you** may have in place with a **Third Party User**.
- 9.4 **Your** instruction to **us** to allow a **Third Party User** to have access to **your Lloyds Bank Business Finance Assistant Account** will continue until this agreement is terminated by either party, or **you** provide **us** with notice that **you** no longer want that **Third Party User** to have access and to view all of the information available on **your Lloyds Bank Business Finance Assistant Account**. **We** will remove that **Third Party User's** access as soon as possible following receipt of **your** instruction.
- 9.5 **We** may refuse to allow a **Third Party User** to access **your Lloyds Bank Business Finance Assistant Account** if **we** are concerned about unauthorised or fraudulent access by that **Third**

Party User. Before **we** do this, **we** will tell **you** and explain **our** reasons for doing so, unless it is not reasonably practicable, in which case **we** will tell **you** immediately afterwards. In either case, **we** will tell **you** in the way which **we** consider most appropriate in the circumstances. **We** won't tell **you** where doing so will undermine **our** reasonable security measures or otherwise be unlawful.

10. Information and instructions

- 10.1 **You** must promptly give **us** information about **your** business that **we** reasonably request or that **we** need to provide the **Service**. **You** must also tell **us** promptly about any changes to **your** business or contact details.
- 10.2 **We** will accept instructions in relation to the **Service** from the **Account Administrator** or a **User**. Any instruction received in relation to a financial product or service, electronic payment or transactional data request will be accepted in accordance with the mandate **you** have given to **us** pursuant to the terms and conditions that apply to **your Bank Account**. **We** will act on instructions as long as they are clear and legible and **our** security procedures have been followed so that **we** know the instruction comes from **you**.
- 10.3 **We** may refuse to accept an instruction if **we** do not believe it was authorised by an **Account Administrator**. **We** will make reasonable efforts to check whether it was authorised before **we** do. If **we** refuse an instruction, **we** may also take steps to reverse any action already taken on it.
- 10.4 **We** can communicate with **you** by any reasonable means, including any form of electronic communication by which **you** can give **us** instructions.

11. Account security

- 11.1 **You** must, and **you** are responsible for ensuring that each **Account Administrator**, **User** and **Third Party User** and anyone else acting on **your** behalf will, at all times:
- 11.1.1 comply with this agreement as if they were a party to it;
- 11.1.2 comply with security and other procedures (including, without limitation, authentication procedures involving **Security Details**) set out in this agreement, **your** own security procedures and any other applicable procedures and reasonable instructions of **ours** notified by **us** to **you** from time-to-time;
