Treasurer's Account		
Credit interest is not payable on this account.		

Additional Information	<b>AER</b> – The AER stands for Annual Equivalent Rate and is the notional rate which illustrates the gross rate as if paid and compounded on an annual basis. As every advert for a savings product will contain an AER you will be able to compare more easily what return you can expect from your savings over time.
	<b>Gross rate</b> – Gross rate means that no tax will be automatically deducted from interest on your behalf. You are responsible for paying any tax due to HM Revenue and Customs. Whilst the Gross rate quoted is the annual rate of interest, please note that the duration of your deposit will affect the amount of interest that you are paid.
	Credit interest rates are variable and are set by us. They are not linked to Bank of England Bank Rate or any other reference interest rate unless otherwise stated.
