Key Features

- Available in Euro (EUR) and US Dollars (USD).
- Interest is calculated daily by reference to the Currency Index Rate (CIR). The relevant CIR that will apply is determined by the currency of your Account
 - For EUR Accounts, the CIR will be the European Central Bank (ECB) Euro Deposit Facility Rate.
 - For USD Accounts, the CIR will be the upper bound of the Federal Funds Target Rate published by the Federal Reserve's Federal Open Market Committee (FOMC).
- The Interest Rate is agreed at account opening. This variable Interest Rate is linked to the CIR and will track the CIR, which is subject to change. Any changes to the Interest Rate resulting from changes in the CIR will be applied to your Account on the Working Day the new Interest Rate becomes effective.
- Interest is calculated and paid into your Account daily.
- We may change the Interest Rate, independently of any changes to the CIR. If this change is not to your advantage, We will give you 14 days' notice before we change it. Where this change is to your advantage, the new Interest Rate may be applied immediately without notice.
- To withdraw money or close the Account, you must give us Notice in accordance with the Notice Period.
- Any money under Notice to withdraw will earn the Interest Rate (if applicable) with any interest due to be paid at the end of the Notice Period.

Benefits

- We calculate interest and pay it daily, except for money under Notice to withdraw.
- If the relevant CIR increases, the Interest Rate on the Account will increase.

Risks

- The Notice Period will be agreed at account opening and can be either 32 or 95 days.
- Your money is locked in for at least the Notice Period agreed at account opening. This means you must be able to cover any cash flow needs during the Notice Period.
- No early withdrawals or closures are allowed.
- The Interest Rate you receive on your Account Balance will decrease if the relevant CIR decreases.
- We may also change the Interest Rate, independently of any changes to the CIR. If this change is not to your advantage, Lloyds Bank will give you 14 Days' notice before it comes into effect.

How to open your Account

- To open a Notice Account, you can call your Lloyds Bank representative.
- You'll need to have a separate Nominated Account which must be in the same business name as your Notice Account.
- You'll need to deposit a minimum of \$ / € 10,000 from your Nominated Account into your Notice Account when it's opened.
- You can top up your Account to a maximum balance of \$ / € 25,000,000.
- You may open more than one Account at Our discretion.
- We'll confirm the Interest Rate, Principal and Value Date when you open your Account.
- The Account starts to earn interest from the agreed Value Date. You must have money available on this date. A delay in the receipt of money may result in a delay in the Account starting to earn interest.

How to add or withdraw money

- You can request to add money or give Us Notice to withdraw money by phone or email to your Lloyds Bank representative.
- Your Notice must include the Working Day you want to withdraw money and the amount.
- When you give Us Notice to withdraw money, We'll let you know the amount, the Interest Rate and the date you'll receive the money in your Nominated Account.
- On the withdrawal date, money will be returned by 5pm London time to your Nominated Account.
- The Interest Rate is fixed for the Notice Period. Interest earned during this time will be paid into your Nominated Account at the end of the Notice Period.
