# Account charges

To put your business in greater control we'd like to fully explain your business banking fees.

Here we'll outline how our charges will be applied to the Business Current Account.

The charges included in this brochure are correct at the time of going to print. For our most up-to-date rates, visit [lloydsbank.com/business](https://lloydsbank.com/business) and go to the Rates and Charges section.

## Help with queries

If at any point you think we've charged you the wrong amount, please speak to your business management team on **0345 072 5555**, lines open 7am–8pm Monday to Friday (except Bank Holidays) and 9am–2pm on Saturday.

## Keeping your charges low

Services that cost us more to process are going to cost you more to use. Here are some ways to cut the cost of day-to-day banking once your introductory period of free banking has run its course.

## Go online

You could save money by using Online for Business, our Internet Banking service.

- This online service lets you pay bills, transfer money, check account balances, set up and amend Standing Orders, view and cancel most UK Sterling Direct Debits<sup>1</sup>, and print out statements.
- We also have a free optional Online Payment Control service to help businesses who want to delegate payment responsibility while keeping control. The service allows a user's individual payment limit to be set for each transaction or two or three people can be chosen to authorise all payments online.
- Online for Business is available 24 hours a day, seven days a week<sup>2</sup>.

## Pay by UK Sterling Direct Debit

Why not make regular Sterling payments within the UK, such as phone bills or National Insurance contributions, by Direct Debit rather than by cheque? As Direct Debits made in Sterling within the UK are a cheaper option, the savings will soon add up over a 12-month period.

<sup>1</sup> SEPA Direct Debits cannot be managed using Online for Business. You will need to contact your creditor directly to inform them that you wish to cancel or transfer your SEPA Direct Debit mandate.

<sup>2</sup> Occasionally we may need to carry out essential maintenance to Online for Business, resulting in some interruption to the service.

---

## Get cash with your card, not a cheque

Instead of cashing a cheque, use your Business Debit card in any UK bank cash machine to get cash – we will not charge you for doing this<sup>3</sup>. Business Debit cards are subject to application.

## Cut the cost of paying in

You can use Immediate Deposit Machines, depositpoint™, Night Safes, Post Office® counters or cheque imaging via the Business Banking Mobile App where we don't charge for paying in credits. Alternatively, if your cashflow's healthy, wait until you've got several cheques before paying them in together as a single credit. Remember you are charged for every credit that you pay in over the branch counter, so paying in several cheques together rather than one by one means that, in addition to the cheque item fee, you only get charged for one credit.

Accumulate any spare cash that you're going to re-use soon and keep it in a safe at your business premises. Re-using £100 cash each week could save you money in bank charges over the course of the year – but don't forget to record all your earnings and make sure you don't exceed the cash sum that your insurance policy allows you to keep on the premises.

## Get your customers to pay automatically

Customers who pay you regular amounts may be happy to use automated credits like Standing Orders. Even one-off payments could be cheaper for both of you through Bacs, Telephone or Online for Business.

<sup>3</sup> The owner of the machine may charge you for the transaction. All LINK machines will give you an on-screen warning of charges, in advance, allowing you to continue or cancel the transaction.

The Post Office® and Post Office logo are registered trademarks of the Post Office Ltd.

## Keep an eye on your money

Check up on your finances with our Internet or Telephone Banking, or free Text Alert services. We'll send free text messages to your mobile phone, showing your account balance and the last six transactions – once a week or every day if you need it.

## Agree borrowing up front

If you need to borrow money, even for a short time, make sure you talk to us first to avoid extra charges for unauthorised borrowing.

All lending is subject to status.

# Business Current Account

With our Business Current Account, you pay a set price for basic transactions. All charges and interest are calculated monthly, from the 10th of one month to the 9th of the next. The first regular invoice you receive following each charging period will show any account transaction charges you have incurred and these will be collected 18 days (or the first working day) after the date of the invoice.

When the total charged amount is less than

a whole penny the charge is rounded up to a whole penny.

Where a monthly account fee is payable, this charge will be applied in full in your monthly billing cycle.

If there are charges to pay but you're not due a regular statement, we'll send you an extra one free of charge.

We do not pay credit interest on this account.

Using other banks	
Other banks sometimes charge us when you use their counter services. In turn, we may pass these costs on to you. Your branch will be able to tell you which banks charge and why.	
Inter-Bank Agency Agreements are arrangements between banks to provide a range of branch counter services to another bank's customers by prior arrangement.	
They provide a convenient service to business customers who find the accessibility of their own bank's branches difficult – for example due to location.	

---

## Other service charges (continued)

---

### How do they work?

The nature and range of the counter services offered under an Inter-Bank Agency Agreement is at the discretion of the providing bank.

Once the service is set up, Lloyds Bank will claim back charges from the customer's own bank on a quarterly basis. The additional charge, if any, made by the account-holding branch is negotiated with their customer.

The Counter Services available at most Lloyds Bank branches are as follows:

- Cash payments (in or out)
- Cheques paid in
- Bank Giro credits
- Wages/salary cheques cashed
- Night safes
- Returned cheques collected.

While we wish to be as helpful as possible, there may be local circumstances where we are unable to provide this service.

### Other services

Some charges may not be included in your pre-notification. If this is the case, we'll call or write to tell you how much the service will cost, before we provide it.

## Charges when you borrow

If you need additional funding for any purpose or period, please talk to us first to avoid paying unauthorised borrowing charges. Once we've agreed your requirements, we'll write to let you know the interest rate, when it's charged and the fees payable. In the case of an agreed overdraft, the limit, review date and current interest rate will be shown on your statement, and we will give you written confirmation of the terms at the time they are agreed. Please ask your business management team for further details of the interest rate and fees that apply to our borrowing facilities.

Typical charges include:

- An arrangement fee, which may be payable depending on the amount you borrow.
- Security fees.
  - Solicitors' and/or valuation fees
  - Expenses in connection with enquiries made about the security subject
  - Fees payable to register the security.
- Early repayment charges may apply on fixed rate loans, on any amount you repay in addition to your agreed repayments.

**Any property given as security, which may include your home, may be repossessed if you do not keep up repayments on your mortgage or other debts secured on it.**

All lending is subject to a satisfactory credit assessment and we will need your permission to carry out a credit check on you and your business. You should not apply for an amount that you cannot comfortably afford to repay now and in the future to avoid the possibility of legal action.

Break costs may apply upon full/partial early repayment of the loan. These will be calculated based upon the loan rate compared to market rates at the time of repayment. These may be substantial.

Where you do not have enough money available to make a payment and we stop the payment. We will write to let you know and will charge the following fee for each item we do not pay.	£7 for each item not paid or £25 if you are a Commercial Banking customer with a Relationship Manager

We'll contact you every time we return an item unpaid. Any unauthorised borrowing or return item charges will be accrued into one lump sum and charged on a monthly basis.
