GUIDE TO CHANGES

Lloyds Bank Mayfair High Interest Cheque Account

Changes to account benefits
from 21 November 2021

LLOYDS BANK

Guide to Changes

From **21 November 2021** we will be making changes to the benefits that come with your Lloyds Bank Mayfair High Interest Cheque Account. This guide tells you what's changing and how it affects you. It's important that we let you know when something is changed by the insurance providers as it can affect the cover that comes with your account. The changes to the travel insurance means a new insurance policy will replace the previous one which comes with your account on the change date. After describing all of the changes, we've given you some key information about us, our services

and who this new travel policy will be right for, as well as a summary of key benefits and requirements to claim under it.

This information is to help you decide if this account, with the changes, will still be right for you. We've also included the new travel policy document. As you currently hold your policy with AXA the period of insurance with the new insurer will start from 21 November 2021, except for upgrades, which will continue to be underwritten by AXA until the expiry date stated in your upgrade schedule.

Changes to Travel Insurance

AXA Insurance UK plc underwrite the travel insurance that comes with your account and, in line with the cancellation section of the policy general conditions, we are now giving you notice on their behalf that the policy will be cancelled at midnight on 20 November 2021 and immediately replaced on 21 November 2021 by travel insurance provided by AWP Assistance UK Ltd (Allianz Assistance) which is underwritten by AWP P&C SA (new insurer). Financial failure cover is underwritten by Liberty Mutual Insurance Europe SE and administered on their behalf by International Passenger Protection Limited - there's more about Financial failure in this guide.

However if you have paid for an upgrade to your cover directly with AXA for risks which are not covered under the policy as standard, your upgrade will continue to be underwritten by AXA until the expiry date stated in your upgrade schedule and will not be cancelled. All claims will be managed by Allianz Assistance for incident dates on or after 21 November 2021. You will receive confirmation letters, which include guidance on who to contact, separately from AXA and Allianz Assistance – you do not need to take any action. If you renew your upgrade going forward, cover will then be subject to Allianz Assistance's terms and conditions and there's more about this later in this guide.

If you're eligible for cover, there will be no break in travel insurance cover but some of the changes may affect what you're covered for. These changes will only affect you if you're eligible for cover.

There are new phone numbers to use if you need to claim, or contact the new insurer and they have provided their own data privacy information. If you're abroad and need medical assistance, you can call Allianz Assistance on **+44 (0)208 239 4010**. When this change happens, the wording, layout and positioning in the terms and conditions will be updated. The new insurer has removed duplicated or unnecessary wording, and made it clearer and easier to understand. They've also added benefit tables when applicable to make it easier to read.

Demands and needs

The demands and needs statement wording will be updated for the travel policy. Whilst the wording will be updated to improve clarity, there will be no change to who this policy is suitable for. The new wording will read:

This product meets the demands and needs of those under 80 years who want to insure themselves against medical emergencies, delayed or missed departures, cancellation, cutting a trip short, lost, stolen or delayed possessions, loss of travel money and passport, personal accident, personal liability and legal expenses when travelling. Travel insurance does not cover everything. You should read this policy carefully to make sure it provides the cover you need.

The existing statement is - this product meets the demands and needs of those under 80 years of age travelling abroad in respect of medical and other similar expenses throughout the duration of the policy.

Key benefit changes

Excess increase

Where an excess applies, it is changing from £75 per claim per incident to £75 per adult per incident which could mean you'll pay more if you need to claim. This will apply for incidents that occur from 21 November 2021. The new excess does not apply to any child covered by the policy. If you have paid for an Excess Waiver upgrade, then the excess will continue to be waived until the upgrade expiry date.

Winter sports cover is being increased

Winter sports cover will be improved. This means that if you have purchased an upgrade for winter sports it will no longer be required, as enhanced cover will now be standard. If you've paid for enhanced winter sports cover with AXA and it expires on or after 21 November 2021, this will be covered as standard. We'll make a goodwill payment, equivalent to the cost of the upgrade, directly into your account by the end of December 2021. For incidents occurring before 21 November 2021 you will need to contact AXA if you have this upgrade and need to claim.

From 21 November 2021, the following ski cover limits will be increased:

- Cover for loss, theft or damage to your winter sports equipment is increasing from £300 to **£500** for your own equipment, or from £200 to **£400** for hired equipment.
- Some of the Ski pack cover will be increased from £150 to **£350**. This is for the unused portion of your lift pass and/or ski pass if lost, stolen, or if you're injured or ill.
- The cover limit for piste closure will increase to **£300, £30** per day. The current limit is £150, £15 per day.

The 'What is not covered' section under winter sports will be updated

This section will be updated to make it clear that there will be no excess payable if you make a claim for:

- necessary costs to hire winter sports equipment.
- loss or theft of your ski and lift pass.
- reimbursement of any unused ski pack caused by accident or sickness.
- any claim relating to piste closure.

A new exclusion will be added and there will be no cover for the unused portion of your ski pass or lift pass, if either is lost or stolen and the new insurer has paid for its reinstatement or replacement.

A new virtual GP service will be added to the policy benefits

There will be access to a 24/7 GP telephone and video consultation service as part of the medical cover provided. If, while you are overseas, you have a medical issue that you would like to speak to a qualified GP about, you can book an appointment through HealthHero Solutions Ltd (HealthHero) by using the Allianz Assistance Hub, to receive GP advice by telephone or video. The telephone service is available 24 hours a day, seven days a week. The video service is available daily between 8am and 10pm (UK time), except for Christmas Day.

There will be access to the Allianz Assistance Hub - the online policy management and claims service

The policy wording will be updated to make reference to the Allianz Assistance Hub. If you're eligible for cover and registered for mobile or Internet Banking you can use these services to access the Allianz Assistance Hub securely to view your policy documents, declare pre-existing medical conditions, arrange and view your policy upgrades, register upcoming flights for automatic delay claim payments if they qualify, and submit an online travel claim or find out useful information for your trip.

There will be reduced cover if you are ordered home early because of an epidemic or pandemic

There won't be cover if you're abroad and you are instructed to return home or choose to leave early to avoid having to quarantine when you get home due to an epidemic or pandemic declared by the World Health Organization (WHO) or an official government authority like the Foreign, Commonwealth and Development Office (FCDO). The instruction to return home could be from the UK Government or from the government of the country you're visiting.

Medical screening & upgrades

Changes to medical screening

Unless the **only** pre-existing medical conditions you have are on the no screen medical conditions list shown in the policy, there will be an ongoing requirement to tell the new insurer about all medical conditions in the following circumstances:

- When opening your account.
- When renewing any medical conditions upgrades you have.
- Any changes in your health or to the health of anyone to be covered by the policy before booking a trip.

For any medical screening, cover for medical conditions may be subject to an additional premium or you may be refused cover for the medical condition(s). This will be confirmed when you contact the new insurer.

The new insurer will update the medical screening section of the terms and conditions so you know when you must contact them. If you answer yes to any of the following medical screening questions, please either visit the Allianz Assistance Hub or call your membership services telephone number to provide further details about your medical condition, as this affects your policy and you may not be covered.

In the last 6 months have/are you or any person to be insured on this policy:

1. Been prescribed medication?
2. Received treatment for or consulted a doctor about any medical condition?
3. Attended a hospital or clinic as an out-patient or in-patient for any reason?
4. Been diagnosed as having a terminal condition?
5. Currently awaiting tests, investigations, treatment, surgery; are awaiting the results of any tests or investigations?

If you have paid for an upgrade to your cover with AXA Insurance UK plc

Any upgrades purchased before 21 November 2021 directly from AXA Insurance UK plc will continue until the expiry date in your upgrade schedule, however all claims will be managed by Allianz Assistance for incident dates on or after 21 November 2021. You will receive confirmation letters separately from both AXA and Allianz Assistance, please read these letters carefully, which include guidance on who to contact.

At your next renewal you will be subject to the terms and conditions of the new insurer. For medical upgrades with the new insurer you will need to declare any changes in health before booking a trip and upgraded cover for the changes to the medical conditions may be subject to an additional premium or cover may be refused. This will be confirmed when you contact the new insurer.

If you have a single trip medical upgrade purchased through AXA Insurance UK plc you will still have this cover until the expiry date in your upgrade schedule. You will not be able to take out any new single trip medical cover with the new insurer as they do not offer this service.

Upgrades and medical screenings are sold, underwritten and administered directly with the insurers.

Remaining changes to cover

The list of no screen conditions will be increased

Currently if you have any medical conditions and they all appear in the policy on the list of no screen conditions, then these will all be covered without the need to contact the new insurer. The list of conditions will be increased to include the extra following conditions:

- Alopecia
- Athlete's foot
- Bell's palsy
- Blepharitis
- Coeliac disease
- Cyst - sebaceous
- Dislocations (no joint replacement or hospital admission needed)
- Dry eye syndrome
- Glue ear
- Goitre
- Hives
- Infections (only if fully resolved and haven't recurred in the last 12 months)
- Insomnia
- Raynaud's disease
- Rosacea
- Testicular torsion (twisted testicle)
- Thrush

Golf cover

There will be a separate standalone section for golf cover. The existing policy provided golf cover under the baggage and baggage delay section of the policy.

The policy excess will no longer be applied to claims for:

- hiring equipment as a result of accidental or temporary loss, theft, damage to your own golf equipment.
- pre-booked and non-refundable green fees, as a result of adverse weather conditions.

There will be a new £500 limit introduced for loss, theft or damage to one single item of golf equipment.

Piste closure

As well as the cover limits being increased, the piste closure benefit will also be available if you are unable to ski for a continuous period of more than 12 hours. At the moment, the existing minimum period is 24 hours.

Ski equipment

As well as the change to the cover limit for ski equipment, the existing table detailing the percentage recoverable according to the age of the item will no longer apply. Claims for loss, theft or damage will be considered on a new for old basis, providing the item is less than 2 years old at the date of the incident and you can provide the original purchase receipt. All items over 2 years old will be subject to a suitable deduction for wear, tear and depreciation or the new insurer may, at their option replace, reinstate or repair the lost, stolen or damaged winter sports equipment.

Missed departure benefit and travel disruption

- The limit will increase from £1,000 to £5,000 for missed departure, and claims will be covered under the travel disruption section of the policy going forward.
- The cover for travel excursions will no longer have a limit of £250 and will be subject to the overall travel disruption limit of £5,000.
- The excess amount will no longer apply to any successful claim for missed departure.
- The new insurer will no longer contact the carrier or tour operator to tell them of your late arrival. If relevant you will need to contact them yourself.

Personal accident

There will no longer be a special travel accident extension under personal accident cover, which provided an increased limit of £100,000 for personal accidents whilst on public transport for customers who booked a trip using a Lloyds Bank debit or credit card. The normal £30,000 limit will remain.

The 'What is not covered' section for Personal accident will be updated to add two new exclusions. The new exclusions will be:

- any claim which does not occur within 24 months of the accident.
- your sickness, disease or physical or mental condition, gradually getting worse.

Changes to Cancellation or Curtailment Cover

There will be additional cancellation cover for you or anyone you are travelling with, if you've booked to travel and either the carrier or a Government authority will not let you travel, because at the point of boarding, you are showing symptoms of a contagious disease.

The cover limit of £1,500 will be increased to £5,000 if the police ask you to remain at or return to your home due to serious damage to your home caused by fire, aircraft, explosion, storm, flood, subsidence, malicious persons or theft.

At the moment there is no time limit to be eligible for cover due to redundancy but from 21 November 2021, you, or any person you are travelling with must have been continuously working for a period of at least two years with the same employer to be covered.

The existing exclusion relating to certain undiagnosed medical conditions will be widened and cover will not be available for any undiagnosed pre-existing medical conditions. This will replace the previous exclusion which was restricted to undiagnosed conditions relating to stress, anxiety, depression or other mental nervous disorder, unless being investigated and diagnosed by either a registered mental health professional or under the care of a Community Mental Health Team.

There is an existing exclusion under "What is not covered" of the Cancellation or curtailment section, explaining there is no cover if travelling against the advice of the Foreign, Commonwealth and Development Office (FCDO) or other regulatory authority due to a pandemic. The exclusion will be widened and a new general exclusion will be inserted saying there will be no cover if travelling against the advice from the FCDO, where that advice is issued for any reason. This exclusion will be widened to also apply to advice from the World Health Organization (WHO) or any government or other official authority at any destination you are travelling from, through or to.

The "What is covered" section will be updated to state that epidemics, a new defined term, will be added alongside pandemics.

Cover under this section of the policy to replace Avios points in the event of a successful claim will be removed. However, the existing cover will be widened to provide the lowest market value of equivalent accommodation, transport charges and other travel expenses, if you paid for them using frequent-flyer points, Avios, loyalty-card points vouchers or other similar schemes.

Emergency medical and associated expenses

There will be the following changes to the “What is covered” section:

- Cover will still be available, including the medical confinement benefit cover, if you have been diagnosed with an epidemic or pandemic disease such as COVID-19. The cover limit for funeral expenses will be removed.
- The wording will be updated to make it clear the new insurer will no longer provide a competent person to accompany your insured children who are under the age of 18 home, if you are incapacitated and there is no other responsible adult to supervise them. Instead there will now be cover for additional travel and accommodation costs for a friend or relative that you choose to accompany your children home.

Sports and leisure activities

You won't be covered whilst taking part in any sport or activity not listed in the table within the policy or if you want to take part competitively in any activity that is listed, unless you have agreed this with the new insurer in advance and any additional premium, which may be required is paid. The wording will be updated to reflect this.

The list of permitted sports and activities will be updated and will make it clear the activities that are covered, activities that are only covered if professionally organised with suitable safety precautions, and activities which are not covered as standard.

Some activities were previously covered but from 21 November 2021 will only be covered if they are professionally organised. There will be cover for some new activities. Some activities, that were previously covered and some of the new activities, will not be covered for personal accident or personal liability. You can find a full list of these and the level of cover in the sports and leisure activities table in the policy terms and conditions.

Loss of important documents and personal money

The existing policy has a single section with a single limit for personal money and travel documents. These will become separate sections in your travel policy for loss of important documents and personal money.

Loss of important documents

The following changes will be made to the loss of important documents cover:

- The limit will be reduced to £600. The existing limit for loss of important documents and personal money combined is £750.
- There will no longer be a separate £200 limit for additional expenses and this is now subject to the overall £600 limit.
- There will be new cover available to get a replacement passport when back in the UK, subject to the section limit.

Personal money

There will be a new section for personal money.

Cover for accidental loss, theft or damage to your personal money will be limited to £750. There will be two new requirements:

- you will need to report any losses in rented accommodation to the property management.
- there will be no cover for loss, theft or damage of personal money unless you can provide receipts and evidence of account withdrawals.

Winter sports

The list of winter sports will be updated and cover for 27 more sports and activities will be added. You can find a full list of activities that will be covered under the Sports and leisure activities section of the policy terms and conditions.

The activities of sledging/sleigh riding (pulled by horse or reindeer) will now also be covered for personal liability claims.

The following new activities will be covered except under the personal liability section: ice windsurfing, ski biking, skidooring, ice go karting (within organiser's guidelines), snow biking, snowmobiling, snow scooting.

Cover can depend on whether the activity is taking place on or off-piste. A new definition for off-piste will be included to provide clarity. A piste is a recognised and marked ski run within resort boundaries and off-piste must be within the resort boundaries and following local ski patrol guidelines or there will be no cover. There will no longer be a requirement to ski with a guide, as under the existing policy, unless the local ski patrol guidelines require this.

General exclusions

This section of the policy will be updated to make it clearer that you are not able to claim against your travel policy when the money is recoverable elsewhere. The general exclusion that sets out when you are not able to claim if the money is recoverable elsewhere, will be updated to include where recovery is possible from the Travel Association (ABTA) and any excursion provider, event ticketing agent or promoter.

A new exclusion for 'Cyber risks' will be added which means the new insurer will not pay for claims arising directly or indirectly from cyber risks of any kind. "Cyber risks" will mean:

- any unauthorised, malicious or illegal act (or the threat of such an act), involving access to or the processing, use or operation of any computer system;
- any error or omission involving access to or the processing, use, or operation of any computer system;
- any partial or total unavailability or failure to access, process, use or operate any computer system; or
- any loss of use, reduction in functionality, repair, replacement, restoration or reproduction of any data, including any amount relating to the value of such data.

Reciprocal health agreements

This section of your policy will be renamed and updated and will provide information on some of the state-provided healthcare arrangements available. It will be called 'state provided healthcare arrangements'.

If you make use of these arrangements or any other worldwide reciprocal health arrangement which reduces your medical expenses, you will not have to pay an excess under Section 2 - Emergency medical and associated expenses.

Baggage and baggage delay

A new special condition will be added for claims relating to loss or theft of any mobile phones or other electronic items containing a sim card. To be covered you will need to contact the network provider within 24 hours and ask them to block/bar the device and sim card and obtain confirmation of the reporting and blocking/barring.

Personal liability

There will no longer be cover for accidental bodily injury or death of a person with whom you are travelling or have arranged to travel with and this section will be updated to reflect this.

Personal assistance and information services

There will no longer be any fixed monetary benefit and the new insurer will only provide information, for example about your travel destination, entry permit requirements, time differences and some relevant local contact points.

The following cover for up to £250 per trip will be removed:

- To assist you to replace lost drugs or other essential medication. Although this is being removed, there is cover for up to £200 for the cost of emergency replenishment of your prescription medication outside of the UK if your existing supplies run out after your scheduled return date due to a delay on your way back to the UK. This is now provided under Section 3 - the Travel disruption section of your new policy.
- The new insurer will no longer help you to transfer up to £250 of your own money between your accounts. They will provide information to you on how you can arrange money transfers in an emergency.

The following information services have been removed:

- The new insurer will no longer tell your credit or debit card issuer if these cards are lost or stolen.
- The new insurer will no longer help with tracing and redelivering lost or misdirected baggage and valuables.
- The new insurer will no longer relay messages if you are ill, injured, or if your travel is delayed.

Business travel

This section will be updated and a new definition introduced for "business colleague" and "relative" in the 'What is covered' section.

Cover will be removed for a "close business associate" and this will be replaced with "business colleague".

They will be defined as a person employed by the same company as you and who you work closely with, where your and their absence from work at the same time prevents the proper continuation of the business. The existing definition did not require a close business associate to be employed in the same company.

The special conditions will be updated. If you want to make a claim for business equipment that is lost, stolen, or damaged, where relevant, you must report any losses in rented accommodation to the accommodation provider.

Legal advice and expenses

This section will be updated and the following changes will be made:

- The cover limit will stay as £25,000, but this will now be inclusive of VAT or the local equivalent tax.
- Definitions for 'Legal action', 'Legal costs' and 'Representative(s)' will be introduced to make them easier to understand.

Wedding/civil partnership cover

In order to make a claim relating to wedding photographs you will need to obtain and provide the new insurer with confirmation from the professional photographer of the reason they cancelled your booking and that they have not given you a refund. The special conditions relating to claims will be updated to reflect this new requirement.

Financial failure

A new section will be added and cover will be provided by Liberty Mutual Insurance Europe SE. They will pay up to £5,000 in total, for certain direct costs suffered if an end supplier becomes insolvent. Cover is available for the financial failure before and after departure, subject to the terms and conditions.

A new definition for "End supplier" will be added and defined as the company that owns and operates the following services: scheduled airline, hotel, train operator including Eurostar, car ferries, villas abroad and cottages in the UK, coach operator, car or camper hire company, caravan sites, campsites, mobile home, safaris, excursions, Eurotunnel, theme parks or attractions.

A new definition for "Financial failure" will be added and defined as the end supplier becoming insolvent or having an administrator appointed and being unable to provide agreed services.

The existing policy provides some cover for financial failure under the Travel disruption section, however the following changes will apply. You will not be covered for:

- scheduled flights, travel or accommodation not booked whilst you're in the UK, the Channel Islands or the Isle of Man prior to commencing your trip.
- financial failure of any travel agent, tour organiser, booking agent, or consolidator with whom you have booked a scheduled flight, travel or accommodation. You are only covered for the failure of an end supplier.

Definitions of words

There will be new definitions added:

- "Epidemic" which will mean a contagious disease recognised by WHO or an official government authority in your home country or your trip destination.
- "Home Area" will be replaced by a new defined term "Home Country". This will mean:

The following part of the UK in which your home is located:

- Great Britain and Northern Ireland (England, Scotland, Wales and Northern Ireland);
 - Each individual Channel Island (Jersey, Guernsey, Alderney, Sark or Herm); or
 - The Isle of Man.
- "Pandemic", which is defined as an epidemic recognised as being a pandemic by the World Health Organization (WHO) or an official government authority in your home country or your trip destination.

- "Quarantine", which is defined as mandatory confinement, intended to stop the spread of a contagious disease to which you or someone booked to travel with you has been exposed.

This will not result in any change to your cover.

The following definitions will be amended:

- "Close relative" will be replaced with "Relative". The meaning of the definition will stay the same.
- The defined term "Medical Practitioner" will be replaced by "Doctor". The meaning of the definition will stay the same

Contact with the insurer

You will no longer be able to communicate with the new insurer by fax or telex.

Examples of Pandemic Cover from 21 November 2021:

- You've booked a trip and are due to travel on 1 December 2021. Two days before your trip starts you are contacted by NHS Test and Trace / NHS Test and Protect (Scotland) and you need to self-isolate. Because of this you have to cancel your trip. You can raise a claim with Allianz Assistance under Cancellation – Section 1 of the policy.
- You've booked a trip abroad and are due to travel on 1 December 2021. At the time you booked there were no restrictions on travelling to your destination. Two days before your trip starts the FCDO change their travel advice to that destination due to an epidemic or pandemic and advise against all but essential travel. Because of this you have to cancel your trip. You will not be covered by your Allianz Assistance travel insurance for any cancellation costs.

Important information

About your policy

This is **your** travel insurance policy. It contains details of cover, conditions and exclusions relating to each **insured person** and is the basis on which all claims will be settled.

Your policy is evidence of the contract of insurance.

If **you** have purchased **upgrades** (see page 15) these will be validated by the issue of **your upgrade** schedule and are only valid as part of this policy.

If any of the covered events specified within this policy wording happen within the **period of insurance**, **we** will provide insurance cover in accordance with the applicable sections of **your** policy.

The conditions **you** must keep to as part of the contract are shown under the 'General conditions' section on page 40. There are also special conditions that apply to claims which are shown within the section they apply to.

The things which are not covered by **your** policy are shown:

- under the 'General exclusions' section on page 41; and
- under 'What is not covered' in each section of cover.

If **we** do not state that something is covered, **you** should assume that it is not covered.

Be aware some exclusions also apply to those people upon whom **your** decision to travel or return **home** depend, for example, a **relative** or **business colleague**.

If **you** would like more information or if **you** feel the insurance may not meet **your** needs, contact **us** by visiting the Allianz Assistance Hub, emailing **travelinfoUK@allianz.com** or calling **UK+44 (0)345 300 1340**.

Insurer

Sections 1 to 15 of **your** travel insurance policy are underwritten by AWP P&C SA and administered by Allianz Assistance which is a trading name of AWP Assistance UK Ltd.

Section 16 – Financial failure cover is underwritten by Liberty Mutual Insurance Europe SE and administered on their behalf by International Passenger Protection Limited.

Cancellation rights

You are free to cancel this policy at any time by closing **your** Lloyds Bank Mayfair High Interest Cheque Account or by changing it to another account type.

Refunds of any additional premiums **you** have paid to upgrade cover or to cover a **pre-existing medical condition** will only be considered during the 14-day cooling-off period after purchase. A refund will not be considered if **you** have travelled, made a claim or intend to make a claim or if **your** request is received after the 14-day cooling-off period.

Demands and needs statement

This product meets the demands and needs of those under 80 years who want to insure themselves against medical emergencies, delayed or missed departures, cancellation, cutting a **trip** short, lost, stolen or delayed possessions, loss of travel money and passport, personal accident, personal liability and legal expenses when travelling.

Travel insurance does not cover everything. **You** should read this policy carefully to make sure it provides the cover **you** need.

Governing law

The laws of the **UK** allow both parties to choose the law which will apply to this contract. However, unless agreed otherwise, the law which applies to this contract is the law of England and Wales. If there is any disagreement, **we** will use this policy wording over any other assurances or statements, unless they are confirmed in writing and form part of the policy.

All communication between **you** and **us** will be in English.

Premiums, fees and charges

Lloyds Bank collects **your** premiums on behalf of the **insurer** as part of the monthly maintaining the account fee for **your** bank account (except for **upgrades** and medical declarations, where the premium is collected by Allianz Assistance on behalf of the **insurer**). All premiums include Insurance Premium Tax (IPT) at the current rate.

The only additional fees or charges for this insurance or related services are for optional **upgrades you** purchase and/or any additional premiums that may be needed to cover **pre-existing medical conditions**. These **upgrades/additional** cover can be purchased directly from the **insurer** using the Allianz Assistance Hub, accessed through Internet Banking or calling **UK +44 (0)345 300 1340**.

United Kingdom residents

This policy only covers losses suffered whilst **you** are a **United Kingdom** resident and are registered with a **doctor** in the **United Kingdom**.

Policy excess

Under most sections of the policy, claims will be subject to an **excess**. This means that each insured adult will be responsible for paying the first part of each and every claim per incident, unless the additional premium has been paid to waive the excess as shown in **your upgrade** schedule. The **excess** does not apply to **your dependent children**.

Fraud prevention

To keep premiums low **we** do participate in a number of industry initiatives to prevent and detect fraud. To help prevent crime **we** may:

1. Share information about **you** with other organisations and public bodies including the police.
2. Share information about **you** within the Allianz Group and with other insurers.
3. Pass **your** details to recognised centralised insurance industry applications and claims review systems (for example the Travel Claims Database) where **your** details may be checked and updated.
4. Load **your** details and any information and documents **you** provide **us** to the Insurance Fraud Register. This may affect future applications for insurance products.
5. Check **your** details with fraud prevention agencies and databases. If **you** give **us** false or inaccurate information and **we** suspect fraud, **we** may record this with fraud prevention agencies.

Automatic renewals

Cover under this policy will continue for as long as **you** remain eligible for cover. If **you** have purchased any **upgrade** or if **you** (or anyone else to be insured on the policy) have a **pre-existing medical condition** please note the following:

When **you** purchase any optional **upgrade**, **you** provide consent to set up a continuous payment authority. This means **we** are authorised to automatically renew **your upgrade(s)** and apply for renewal payments from **your** account every year, even if **your** card has expired, until **you** instruct **us** to stop.

We will contact **you** at least 21 days before the **upgrade** expiry date. As long as **you** remain eligible for cover, **we** will automatically renew **your upgrade(s)**, using the latest payment details **you** provided to **us**. **You** will also be provided with a renewal invitation which **you** should check to ensure all **your** details are still correct and relevant. If any changes are required or **you** do not wish to renew **your** policy **upgrade**, **you** should let **us** know by visiting the Allianz Assistance Hub, emailing **travelinfoUK@allianz.com** or calling **UK +44 (0)345 300 1340** before **your** renewal date.

If **you** are no longer eligible for cover, **we** will not renew **your upgrade**. In all cases, **we** will contact **you** before **your** renewal date to advise **you** what to do next.

Renewals which include a medical condition

We cannot automatically renew **your upgrades** or **pre-existing medical condition** endorsements if **you** (or anyone else to be insured on the policy) have a **pre-existing medical condition** that needs to be declared, even if **we** have provided cover in the past. Please see the 'Health declaration and health exclusions' section on page 15 for more details on cover for **pre-existing medical conditions**.

We will contact **you** at least 21 days before **your** annual **health check date** to advise what to do next, but **you** will have to contact **us** by visiting the Allianz Assistance Hub, emailing travelinfoUK@allianz.com or calling **UK +44 (0)345 300 1340** if **you** wish to renew **your** cover.

Changes to cover, terms or price

From time to time it may be necessary to make changes to **your** travel insurance policy but this does not amend the other terms of the account holder's Lloyds Bank Mayfair High Interest Cheque Account. When changes occur, the account holder will be given at least two months' notice in writing unless these changes have to be made sooner by law or regulation (in which case **we** will give the account holder a reasonable and proportionate amount of notice).

Any change to the benefits, terms, cover or exclusions, which restrict **your** cover or benefits will not apply to any **trip** which began before the effective date of the change. All changes will apply to any **trips** which commence after the effective date of the change, even where a **trip** was booked before the effective date of the change.

If **you** do not wish to accept the change(s) that **we** intend to make to **your** insurance policy, **you** can contact **your bank account provider** acting as **our** agent by using the Lloyds Bank Mayfair High Interest Cheque Account Membership Services contact details shown on the back page of this booklet. This will be treated as notice that **you** wish to close or switch **your** Lloyds Bank Mayfair High Interest Cheque Account immediately – there will be no charge for closing or switching **your** account. It will be assumed that **you** have accepted the change(s) if **your bank account provider** has not heard from **you** by the end of the notice period and the change(s) will apply when they come into force.

Financial Services Compensation Scheme (FSCS)

You may be entitled to compensation from the Financial Services Compensation Scheme (FSCS) should the **insurer** be unable to meet its liabilities.

This depends on the type of business and the circumstances of the claim. Insurance cover provides protection for 90% of the claim, with no upper limit.

For further details please call the FSCS on **0800 678 1100** or **UK +44 (0)207 741 4100** or visit their website www.fscs.org.uk

Please read the wording and ensure the cover reflects **your** requirements. **You** may **upgrade your** travel insurance coverage to include any of the following by visiting the Allianz Assistance Hub, emailing travelinfoUK@allianz.com or calling **us** on **UK +44 (0)345 300 1340**.

Health declaration and health exclusions

Your policy does not automatically include cover for **pre-existing medical conditions**.

Before **you** travel, please take a good look at the medical screening questions below. To make sure **your** policy is not affected for any **trip**, **you** must declare all **pre-existing medical conditions** when:

- First opening **your** Lloyds Bank Mayfair High Interest Cheque Account;

Trip extension

The **trip** duration limit may be extended to cover **you** for either 93, 186 or 279 consecutive days in each annual **period of insurance**. If any **trip** exceeds **your** chosen **trip** duration limit or a **trip extension upgrade** is purchased during the **trip** but after the limit has been exceeded, there is no cover under this policy for any part of the **trip** beyond the maximum **trip** duration that was covered when the **trip** started.

24-hour emergency medical assistance

Please tell **us** as soon as possible about any serious illness or accident abroad where **you** have to go into hospital or **you** may have to return **home** early or extend **your** stay because of any illness or injury. If **you** are unable to do this because the condition is life, limb, sight or organ threatening, **you** should contact **us** as soon as **you** can. **You** must also tell **us** if **your** medical expenses are over **£500**. Phone: **UK +44 (0)208 239 4010**

Email: **medicalassistanceUK@allianz.com**

Please make sure **you** have **your** Lloyds Bank Mayfair High Interest Cheque Account number and **your** branch sort code to hand when **you** call. Below are some of the ways the 24-hour emergency medical assistance service can help.

Without this the airline can refuse to carry any sick or injured person.

You can contact **us** at any time, day or night. **You** will be answered by one of **our** experienced assistance co-ordinators who **you** should give all relevant information to. Please make sure **you** have details of **your** policy before **you** call.

State-provided healthcare arrangements

European/Global Health Insurance Card (EHIC and GHIC)

- If **you** already have a valid EHIC, it will continue to entitle **you** to reduced-cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Economic Area (EEA) country or Switzerland. - These cards give access to state-provided medical treatment only. Remember, this might not cover all the things **you** would expect to get free of charge from the NHS in the **UK**. **You** may have to contribute to the cost of **your** care.

- **You** may apply for a GHIC online at **www.ghic.org.uk** or by calling **UK +44 (0)300 330 1350**.
