

Lloyds Bank Corporate Markets plc Trade Finance General Terms
1 Application

1.1 These General Terms apply to any Facility Letter and each Facility provided under it to the extent not varied or excluded by the terms of that Facility Letter. They also apply to the extent applicable to any other Finance Document. These General Terms may cover types of facilities that are not available under your Facility Letter. If they do, you may ignore these references. We may amend these General Terms from time to time.

1.2 In these General Terms you and your refer to the Customer and we, our and us refer to the Bank. The definitions and rules of interpretation in Clause 20 (Definitions and interpretation) also apply.

1.3 The Lloyds Bank General Terms for Online Trade Services (the Online Trade Services General Terms) apply to any Application made via LOTS. If there is any conflict between the Online Trade Services General Terms and these General Terms, these General Terms shall prevail.

1.4 Unless the context otherwise requires or unless otherwise defined in these General Terms, words and expressions defined in the Facility Letter shall have the same meaning when used in these General Terms.

2 Requests to use the Facilities

2.1 To use a Facility, except as set out in Clause 2.2, you must give us a completed application form. You must use the right type of application form for the Utilisation you are requesting. To request a Loan, you should use the form of application in the Facility Letter or any other form we agree with you. To request issue of a Trade Service Instrument (except as set out in Clause 2.2) you should use the relevant application form which has been supplied to you.

2.2 This Clause applies if:

- (a) a Facility for Trade Service Instruments is available under the Facility Letter,
- (b) we receive an inward documentary collection for delivery to you that requires an avalisation; and
- (c) you instruct us that you wish to accept the terms of that documentary collection

If this happens, you authorise us to treat your acceptance of that documentary collection as a request from you to make that avalisation under that Facility.

2.3 We may agree another form of Application with you, for instance for a particular type of Trade Service Instrument. If we do, we will also accept an Application from you in that form on condition that when you request a Utilisation using an application in that form, you are agreeing to any additional terms relevant for that type of Utilisation that are incorporated by reference into the Bank's standard form of Application for that type of Utilisation, even though you are not using the Bank's standard form of Application.

2.4 You agree we are under no obligation to accept any Application and are entitled to decline the Application without liability in our absolute discretion. You may not revoke any Application without our consent. If we do not tell or otherwise indicate to you that we have reviewed the Application within 10 Business Days of us receiving it, the Application will expire.

2.5 We will not consider any Application unless

- (a) you have satisfied each relevant Precondition and Utilisation Condition;
- (b) it is signed or submitted by an Authorised Signatory and covers only one Utilisation;
- (c) the Utilisation to which the Application relates is denominated in the Base Currency or an Optional Currency (if the Facility Letter includes any);
- (d) the making of the Utilisation to which the Application relates will not result in a breach of any applicable Facility Limit, Tenor Limit or Value Limit; and
- (e) on the date of that request:

(i) the Representations are true in all material respects and will remain true on the proposed Utilisation Date; and

(ii) no Default is continuing or will be continuing on the proposed Utilisation Date.

2.6 We are entitled to consider each Application on a case-by-case basis and to decline any Application without liability in our absolute discretion. We may make the availability of a Utilisation subject to additional conditions. If we do, we will tell you about these soon after we receive your Application.

3 Making Utilisations available

If the applicable conditions set out in Clause 2 (Requests to use the Facilities) are satisfied and we decide to accept your Application we will make the relevant Utilisation available on its Utilisation Date.

4 Interest

4.1 Interest on each Loan will accrue in the currency in which that Loan was made at the relevant Interest Rate from and including its Utilisation Date to but excluding the date you repay it. You must pay us all interest accrued on Loans that are not Fixed-Term Loans on each Interest Payment Date. You must pay us interest accrued on each Fixed-Term Loan on the last day of its term or, if earlier, the date you repay it. If a Facility for Loans is terminated, you must pay any accrued interest on the day you repay the last outstanding Loan under that Facility.

4.2 If you fail to pay when due any amount due from you under any Finance Document (other than in respect of a Trade Services Facility), interest will accrue on that amount (or so much as from time to time remains unpaid) from its due date to the date of actual payment at three percent per annum above the Interest Rate applicable for Loans in the currency of that overdue amount. Default interest (if unpaid) will be compounded with the relevant overdue amount on each Interest Payment Date but will remain immediately due and payable.

4.3 Interest due under the Finance Documents will:

- (a) accrue from day to day;
- (b) be calculated on the basis of the actual number of days elapsed and
 - (i) for sterling amounts, a 365-day year; and
 - (ii) for all other amounts, a 360-day year (or, at the Bank's option, another day count convention that is market practice for the relevant currency); and
- (c) be payable both before and after judgment.

4.4 You must pay to us, within three Business Days of our demand, any breakage costs we suffer as a result of you paying all or part of any Fixed-Term Loan on a day other than the last day of its term. If you ask us to, we will provide you with a certificate confirming the amount of our breakage costs.

5 Charges

5.1 The fees and commissions and the Margin element of interest you must pay us for making Utilisations available are those set out in the Facility Letter or otherwise agreed between you and us. If the Facility Letter does not state when a fee or commission is payable, it is payable within three Business Days of our demand.

5.2 In running our business we have to comply with certain requirements laid down by our regulatory authorities and other official bodies as well as the law generally. When we sent you the Facility Letter or last reviewed it, we set the charges (fees, commissions and Margin) payable by you under the Facility Letter in the light of how those regulatory and other requirements affected the cost (to us and our Affiliates) of us funding and making the Facilities available as at that date. If, as the result of any new laws, regulations or requirements or any changes in any existing ones, the cost (to us or any of our Affiliates) of us agreeing to make or making the Facilities available is increased, we may increase the charges you must pay in respect of the Facilities to compensate for that extra cost. If we do this, we will provide you with a written explanation of the rationale for the increase within 30 days of the increase taking effect.

6 Repayment and prepayment

- 6.1 You must repay each Loan on the earliest of:
- (a) the last day of any applicable Tenor Limit or, in the case of a Fixed-Term Loan the last day of its term;
 - (b) if the Loan is financing goods or services:
 - (i) the date on which you receive the proceeds of sale from those goods or services; and
 - (ii) the date on which you obtain receivables financing (of any description) for the anticipated proceeds of sale from those goods or services; and
 - (c) if the Loan is financing a debt owed to you by one of your customers for goods or services you have delivered to them:
 - (i) the date on which you receive payment for those goods or services; and
 - (ii) the date on which you obtain receivables financing (of any description) for that debt owed to you by one of your customers.

6.2 If:

- (a) any person or group of persons that are connected or acting in concert gain direct or indirect control of the Main Company; or
- (b) the Customer is not the Main Company and the Main Company stops being the legal and beneficial owner of the entire issued share capital of the Customer, then
 - (i) you must notify us promptly;
 - (ii) our obligations under the Facility Letter will terminate;
 - (iii) we will notify you that the Facilities are cancelled; and
 - (iv) you must prepay all of your Utilisations on the date we tell you to, together with accrued interest, any applicable breakage costs and any other sums you owe us under the Finance Documents.

in this Clause:

acting in concert has the meaning given to that term in the City Code on Takeovers and Mergers;

connected has the meaning given to it in section 1122 of the Corporation Tax Act 2010; and

control of the Main Company means:

- (a) the power (whether by way of ownership of shares, proxy, contract, agency or otherwise) to
 - (i) cast, or control the casting of 30% or more of the maximum number of votes that might be cast at a general meeting of the Main Company; or
 - (ii) appoint or remove all, or the majority, of the directors or other equivalent officers of the Main Company, or
 - (iii) give directions with respect to the operating and financial policies of the Main Company with which the directors or other equivalent officers of the Main Company are obliged to comply; and/or
- (b) the holding beneficially of 30% or more of the issued share capital of the Main Company (excluding any part of that issued share capital that carries no right to participate beyond a specified amount in a distribution of either profits or capital).

6.3 If it becomes unlawful in any jurisdiction for us to perform any of our obligations in any of the Finance Documents or to fund or maintain any Utilisation, then Clause 6.2 (b) (i) through 6.2 (b) (iv) will apply.

6.4 You may prepay a Utilisation before the date by which you must repay it without penalty. If you prepay a Fixed-Term Loan you must pay accrued interest as well on the date you prepay it.

9.1 To advise us promptly of any Default.

10.2 If any deduction or withholding is required by law, you must

- (a) increase the amount payable so that, after making the minimum deduction or withholding required, we will receive and be entitled to retain a net sum at least equal to the sum which we would have received had that deduction or withholding not been made; and
- (b) within 30 days of that payment, forward to us confirmation from the relevant tax authority evidencing receipt by the relevant tax authority of that deduction or withholding.

10.3 Any:

- (a) amount under a Fixed-Term Loan which, but for this Clause 10.3, would fall due on a day other than a Business Day, will be due on the next Business Day, unless it falls in the next calendar month, in which event that amount will be due on the preceding Business Day;
- (b) other amount which, but for this Clause 10.3, would fall due on a day other than a Business Day, will be due on the next Business Day.

In either event interest and commission calculations will, where necessary, be adjusted accordingly.

10.4 If no other payment arrangements (that comply with the requirements of this Clause 10) are in place, you irrevocably authorise us to debit, or to instruct Lloyds Bank plc to debit and remit to us such amounts from any bank account you hold with us or, as the case may be, Lloyds Bank plc and you authorise Lloyds Bank plc to debit and remit such amounts to us.

10.6 We may, at any time while Clause 10.4 applies or an amount is overdue under any Finance Document, set off any amount that has fallen due from you against any amount we owe you regardless of its place of payment, or currency, or whether it is due. We will carry out any necessary currency conversion at the our spot rate of exchange for the relevant currencies at the time of the set-off.

10.9 If a transaction or any party, good, jurisdiction or place referred or connected to that transaction is affected by any Sanctions, any Lloyds Banking Group Member may take any action in respect of that transaction (including without limitation termination of that transaction) and you irrevocably consent to such action and agree to take all necessary action to support such action.

11 Changes to the Finance Documents

11.1 We may change any term of the Finance Documents at any time (even if an Event of Default has not occurred):

- (a) to reflect the introduction of or any other change in law or in any code of practice that applies to us or the way we are regulated;
- (b) to take account of reorganisations in relation to Lloyds Banking Group Members or the group as a whole;
- (c) to reflect any reasonable changes we make to our systems or processes; or
- (d) if the change is to your advantage.

11.2 If we make a change under this Clause 11 that is to your disadvantage, we will give you 30 days' notice of that change in writing. If you do not wish to accept the change, you may terminate the Facility Letter under Clause 16.1 and repay all outstanding Utilisations and all other amounts you owe under the Finance Documents by sending a Notice to us no later than 60 days after we gave you notice of the change. We may make any other changes to these General Terms straight away by posting details of the changes and a new version of these General Terms with those changes included on the Commercial Banking Website. If we make other changes to the Facility Letter we will notify you of these.

12 Indemnities and limitations on liability

12.1 You must indemnify us on demand against any cost (including legal costs) or loss we suffer or incur (acting reasonably) in connection with: (a) the preparation, negotiation and completion of the Finance Documents or any valuation connected with the Security; (b) any amendment, or supplement to, or release of, any of them; or (c) the perfection or protection of any of our rights under them. We will provide you with an estimate of any costs that might be incurred in connection with the valuation and taking of the Security before these are payable.

12.2 You must also indemnify us on demand against any cost (including legal costs), loss (including loss of profit) or liability we suffer or incur in connection with the Facilities, including in connection with: (a) any Obligor breaching its obligations under the Finance Documents; (b) us enforcing our rights against any Obligor under or in connection with the Finance Documents; (c) any reliance to which we are entitled under any Finance Document; or (d) any stamp, documentary, registration, value added or other tax or duty imposed on or in connection with any Finance Document.

12.3 Our rights under each indemnity in this Clause 12 are without prejudice to any of our other rights.

13 Notices

13.1 Each Notice under a Finance Document must be given in writing in English.

13.2 We will only send Notices to you via LOTS if you subscribe to the LOTS service. If we send you a Notice by post, we will send it to the address specified in the Facility Letter for this purpose or, if none is specified, to your registered office. Any Notice you send to us by post you must send to the address (and marked for the attention of the department, if any) we specified in the Facility Letter or any replacement address we notify to you. Any Notice you send to us, by whatever medium of communication, will be deemed to have been given only on actual receipt by us and if marked for the attention of the relevant department, if any.

13.3 If we agree to accept requests for Utilisations or to send and receive other Notices between us by email, telephone, text or any other medium of communication, we may treat any Notice sent to us by that medium that appears to come from an Authorised Signatory as being from that Authorised Signatory. You agree to indemnify us in respect of any loss incurred by us as a result of our reliance on any Notice we receive from you or that we believe to have been received from you (absent gross negligence or wilful misconduct on our part) through a medium through which you have agreed we may accept Notices from you.

13.4 If we have agreed with you to communicate Notices by email between you and us and you have an Authorised Signatory that is a combination of persons, we are entitled to accept an email appearing to be sent from the email account of one of those persons and copied to the email address of each other person in that combination as a Notice authorised by that combination of persons and as therefore having the authority of that Authorised Signatory.

13.5 Notices are sent at your risk. We are entitled, acting in good faith, to assume that any Notice we receive from you or appearing to be from you is from you and is duly authorised. If we question the authenticity of any Notice and seek to verify its authenticity before acting on that Notice, we will not be liable to you for any delay this causes.

14 Assignments and transfers

14.1 You may not assign any or your rights under any Finance Document without our prior written consent.

14.2 You irrevocably consent to us:

- (a) assigning any or all of our rights under the Finance Documents to any.

- (i) of our Affiliates; or

- (ii) bank, financial institution, trust, fund, securitisation party or any other person regularly engaged in or established for the purpose of making, purchasing, investing in or insuring loans, securities or other financial assets;

- (b) transferring (by novation or otherwise) all or any of our obligations under the Finance Documents (a Transfer) to any person (a Transferee) provided that no Transfer of our obligations will be effective until the Transferee has confirmed to you in writing that it is bound by the terms of the relevant Finance Documents. Following such confirmation you may look only to the Transferee in respect of that portion of our obligations transferred to the Transferee; and

- (c) sub-participating or sub-contracting any or all of our rights and obligations under any Finance Document to any party to whom we are entitled to assign or transfer under this Clause.

14.3 You must co-operate to assist us in completing any assignment or Transfer permitted under this Clause 14. In particular, you must assist us in transferring the benefit of any Security and you shall sign such documentation as we may reasonably require in order to give full effect to any assignment or transfer permitted under this Clause 14. We will reimburse you for all legal and other out-of-pocket costs including any registration (or similar) fees you incur with our prior written agreement in connection with any requests we make under this Clause 14.

14.4 We may without consulting you or obtaining consent from any Obligor, at any time, create any Security Interest in or over all or any of our rights under any Finance Document to secure our obligations, including our obligations to a federal reserve or central bank, except that no such Security Interest will:

- (a) release us from any of our obligations under the Finance Documents or substitute the beneficiary of the relevant Security Interest for us as a party to any of the Finance Documents; or
- (b) require any payments to be made by an Obligor other than or in excess of, or grant to any person any more extensive rights than, those required to be made or granted to us under the Finance Documents.

15 Disclosure

15.1 You agree that your Confidential Information may be disclosed to:

- (a) our Affiliates and any related funds;
- (b) service providers or professional advisors of us or our Affiliates;
- (c) any actual or potential assignee, sub-participant, assignee or transferee of our rights or obligations under any Finance Document or to any other person to whom we consider it is reasonable to disclose such information in connection with any proposed Transfer, assignment or sub-participation under any Finance Document;
- (d) any person pursuant to or in connection with any actual or proposed restructuring, reorganisation of our business, transaction of or involving us or our Affiliates, including without limitation any actual or proposed restructuring or reorganisation pursuant to regulatory ring-fencing requirements, and any other persons involved in such transaction and their respective lawyers, consultants, advisers and agents;
- (e) any investor in, or other transaction party, to a securitisation;
- (f) any administrative, settlement or numbering service provider;
- (g) any rating agency or listing authority, insurer, reinsurer or insurance broker, verification agent of or any direct or indirect provider of credit protection to us and to any of their Affiliates;
- (h) any person to whom or for whose benefit the Bank creates any Security Interest (or may do so) pursuant to Clause 14.4;
- (i) any of our agents, auditors, service providers or advisers, or those of any party mentioned in paragraphs (a) to (h) above; or
- (j) any person as required by law or regulation, or to any court or regulatory, supervisory or governmental, banking, taxation, supervisory or other regulatory authority or similar body, or in connection with any legal or arbitration proceedings.

15.2 Your agreement in Clause 15.1 extends to the disclosure of any information relating to Obligor accounts held with Lloyds Bank plc to the permitted recipients listed in Clause 15.1 for the purposes of Clause 10.4.

16 Availability and termination

16.1 If you want to terminate the availability of all the Facilities you may do so by notifying us in writing, giving us at least three Business Days' notice. You may only terminate the availability of all the Facilities available under the Facility Letter, not just some of them. After you have notified us, you must not make any requests for Utilisations. If you do and we act on them, you will still be liable to us in connection with those requests.

16.2 All Utilisations outstanding on the termination date will continue to be subject to the terms of the Facility Letter and these General Terms until all your obligations to us under the Facility Letter have been irrevocably discharged in full.

16.3 We may also cancel the availability of any Facility by giving you at least 30 days' notice. If we cancel a Facility, unless we agree otherwise, you must repay all Utilisations under that Facility by the end of this notice period. This right to cancel availability of any of the Facilities is without prejudice to any other rights we may have to cancel any of them without notice, or with less notice.

17 Miscellaneous

17.1 Unless it contains an obvious error, any Notice from, or determination by, us of a rate or amount under any Finance Document is conclusive evidence of that rate or amount.
