- The interest rate is a managed rate set by Lloyds Bank and is subject to change.
- Lloyds Bank may change the rate of interest. Where this change is not to your advantage, we will provide you 14 days' notice and the new Interest Rate will be applied to your Account on the next Working Day following expiry of the 14 days' notice. Where this change is to your advantage, the new Interest Rate may be applied to your Account immediately without notice.
- Interest is calculated daily. This is based on the Account Balance and Interest Rate. This is applied to your Account daily (unless otherwise agreed).
- To withdraw funds or close your Account you must give Us Notice in accordance with the Notice Period.
- If you close or make a withdrawal from your Notice Account, the Interest Rate applied to the funds to be withdrawn will be the Reversion Rate. The Reversion Rate will be fixed for the duration of the Notice Period and will apply from the date We receive your Notice. Interest on the withdrawal amount will be applied at the end of the Notice Period.

### Benefits:
