- 2.1 The Fixed Term Deposit Account will be denominated in a single currency of your choice of pounds, US dollars, euros or any other currency available at the time you apply for the Fixed Term Deposit Account, as confirmed in the Confirmation sent to you for the Fixed Term Deposit Account.

3. Interest

- 3.1 After you have made an Initial Deposit in accordance with clause 1, you will begin to earn interest on your Fixed Term Deposit Account from the date we receive Cleared Funds into your Fixed Term Deposit Account.
- 3.2 We calculate interest daily and the amount of interest you receive will depend on the credit balance of your Fixed Term Deposit Account. Interest is only paid on Cleared Funds.
- 3.3 Interest will be paid on the credit balance during the Term at a fixed rate to be determined at the start of the Term and detailed in your Confirmation.
- 3.4 Where interest is payable by us it will be paid to the Servicing Account on each anniversary of the start date shown in your Confirmation or, for deposits of less than one year, at the maturity date shown in your Confirmation, unless the interest is reinvested in accordance with clause 4.
- 3.5 Interest will be paid without deduction, unless otherwise required (i) by law or (ii) by you.
- 3.6 If the interest payment date is not a Working Day, interest will be paid on the next Working Day.
- 3.7 For full information on the interest rate which applies to your Fixed Term Deposit Account please contact your relationship manager. We may change our interest rates at any time in accordance with the General Terms and Conditions, however, we will not change the interest rate which we have agreed with you in respect of your Fixed Term Deposit Account during the Term.

4. Conclusion of the Term and reinvestment

- 4.1 It is your responsibility to contact us to give us your Maturity Instruction prior to the maturity date (as set out in your Confirmation) of the Fixed Term Deposit Account.
- 4.2 If we do not receive your Maturity Instruction:
 - a. for a Fixed Term Deposit Account in pounds, before 4pm (UK time) on the last Working Day prior to the maturity date shown in your Confirmation; or
 - b. for a Fixed Term Deposit Account in any other currency, before 4pm (UK time) on the last Working Day three Working Days prior to the maturity date shown in your Confirmation,

then, subject to our right to refuse to open a new Fixed Term Deposit Account for you in our absolute discretion, we will:

- i. for Fixed Term Deposit Accounts where the Term is one year or more, pay the entire balance of the Fixed Term Deposit Account (including any interest which has accrued in respect of the Fixed Term Deposit Account) to the Servicing Account; or
 - ii. for Fixed Term Deposit Accounts where the Term is less than one year, reinvest the entire balance of the Fixed Term Deposit Account (including any interest which has accrued in respect of the Fixed Term Deposit Account) in a new Fixed Term Deposit Account with a term that is the same as the Term. The reinvestment will be at the new rate of interest applicable for that particular term on the date of reinvestment. Once the balance of the Fixed Term Deposit Account has been reinvested, an administration fee and breakage costs may apply if you wish to close the new Fixed Term Deposit Account before the end of the new Term.
- 4.3 You can find the indicative rate applicable to your new Fixed Term Deposit Account by contacting your relationship manager or using the contact details as set out in Appendix 2 of the General Terms and Conditions.
 - 4.4 A new Confirmation will be sent to you upon reinvestment.

5. Closing a Fixed Term Deposit Account

- 5.1 If you wish to close your Fixed Term Deposit Account on the maturity date shown in your Confirmation, you must contact us:
 - a. for a Fixed Term Deposit Account in pounds, before 4pm (UK time) on the last Working Day prior to the maturity date shown in your Confirmation; or
 - b. for a Fixed Term Deposit Account in any other currency, before 4pm (UK time) on the last Working Day three Working Days prior to the maturity date shown in your Confirmation.
- 5.2 Fixed Term Deposits cannot be closed until the end of the applicable term.

IMPORTANT INFORMATION – RISKS TO YOUR MONEY

Your funds are committed for the duration of the Term. Your financial position must allow you to be able to cover your cashflow requirements whilst your funds are committed. Substantial breakage costs may apply if you wish to close your Fixed Term Deposit Account before the end of the Term.

In an increasing interest rate environment, you will not benefit from any improved interest rates. The pre-agreed interest rate will apply until the maturity date shown in your Confirmation.

If you do not contact us to give us your Maturity Instructions prior to the maturity date shown in your Confirmation, we may reinvest the entire balance of your Fixed Term Deposit Account (including interest), in accordance with clause 4. Note that if we reinvest the entire balance of your Fixed Term Deposit Account, that amount will be reinvested for the same Term as the original Fixed Term Deposit Account and you may need to pay an administration fee and breakage costs if you wish to close the new Fixed Term Deposit Account before the end of the new Term.
