IMPORTANT INFORMATION – RISKS TO YOUR MONEY

Your funds are committed for the duration of the Term. Your financial position must allow you to be able to cover your cashflow requirements whilst your funds are committed.

In an increasing interest rate environment, you will not benefit from any improved interest rates. The pre-agreed interest rate will apply until the maturity date shown in your Confirmation.

If you do not contact us to give us your Maturity Instructions prior to the maturity date shown in your Confirmation, we may reinvest the entire balance of your Fixed Term Deposit Account (including interest), in accordance with clause 4. Note that if we reinvest the entire balance of your Fixed Term Deposit Account, that amount will be reinvested for the same Term as the original Fixed Term Deposit Account.
