- 1.4 We may change the eligibility criteria for the Account from time to time.
- 1.5 If you do not satisfy the eligibility criteria for the Account at any time, or if we consider that you have seriously breached the terms of this Agreement, we reserve the right to refuse to open the Account or to close the Account.

1. Eligibility criteria

- 1.1 You must be ordinarily resident in the Channel Islands or the Isle of Man and hold a current account with Lloyds Bank International.
- 1.2 In addition to condition 1.1, other eligibility criteria may apply to the Account. We will make you aware of any additional eligibility criteria when you enquire about or apply for the Account.
- 1.3 You must advise us of any change in the information that you provided to us in the Application Form or as part of the application process at any time, as this may mean that you are no longer eligible for the Account.
- 1.4 We may change the eligibility criteria for the Account from time to time.
- 1.5 If you do not satisfy the eligibility criteria for the Account at any time, or if we consider that you have seriously breached the terms of this Agreement, we reserve the right to refuse to open the Account or to close the Account if already opened.

2. The Account

- 2.1 Currency, funding, and fees
 - 2.1.1 The Account is denominated in Sterling.
 - 2.1.2 There may be additional charges for particular banking or other services we provide. For full information on our current charges please see our Banking Charges Guide, contact us or visit our website (lloydsbank.com/islands).
- 2.2 Deposits
 - 2.2.1 You can save between £25 and £400 a month, by bank transfer or using a standing order.
 - 2.2.2 Please make sure we get your first payment during the 28 days after you open your Account. Following this, we need to get your monthly payments by 25th of the month.
 - 2.2.3 You can pay in more than once a month, as long as you don't pay in over £400.
 - 2.2.4 You don't have to pay in every month – but because you can't save more than £400 a month, you'll limit the amount you can save. If you use a standing order, you can change the amount at any time.
 - 2.2.5 If you pay in more than £400 in a month, we'll return the full amount of the payment which took your savings that month over £400.
- 2.3 Withdrawals
 - 2.3.1 You can take your money out straightaway:
 - by transfer to another Lloyds Bank International savings or current account in your name; or
 - through one of our branches with a counter
 - 2.3.2 As you can't save more than £400 a month, please remember any withdrawals will limit the amount you can save.
 - 2.3.3 You can use internet banking, our mobile banking app, call us or come into a branch with a counter.
- 2.4 Interest
 - 2.4.1 You will begin to earn interest on your Account from the date we receive 'cleared funds' into your Account. 'Cleared funds' are funds that are in your Account and available for you to use.
 - 2.4.2 We pay fixed interest – this means your interest rate won't change while you have the Account.
 - 2.4.3 We pay interest into your Account on the anniversary of account opening without deduction, unless otherwise required by law. If the interest payment date is not a Working Day, interest will be paid on the next Working Day.
 - 2.4.4 As we work out your interest each day and pay it at the end of 12 months, you won't get a full year's interest on all your savings. For example, if you save £100 each month, we'll pay you interest on your first £100 for 12 months, the second £100 for 11 months and so on.
 - 2.4.5 Full details of our current interest rates can be found in the interest rate guide for this Account, in branch or on our website (lloydsbank.com/islands) or by contacting us.

3. Maturity

We'll get in touch at least 14 days before the end of the term, to ask what you'd like to do with your savings. On the working day after the end of its fixed term your Account will automatically change to an Island Standard Saver Account as defined on page 12 below. After this the Island Standard Saver Account interest rate and account conditions will apply.

You'll still have instant access and if you keep your savings in an Island Standard Saver Account, we'll take you as having agreed to the new account conditions. Please remember, any regular payments into your Account will carry on after it changes to an Island Standard Saver Account.

Bear in mind

You can only have one Island Monthly Saver, held either in your sole name or jointly but not both.

If your Island Monthly Saver is held jointly, you can make a transfer to a Lloyds Bank International account held by either of you as well as one you have together.

If you open a joint Island Monthly Saver and your existing Lloyds Bank International current account is in your sole name, you understand that your joint Island Monthly Saver Account holder can realise you already have a connection with us.

If you close your Island Monthly Saver before the end of its term, you can't open another Island Monthly Saver Account with us until after the first anniversary of account opening.

If your Account changes to the Island Standard Saver Account, your account number and sort code will stay the same.

You can't make standing order payments into your Island Monthly Saver from a savings account you have with us.

- 5.2 For information on our standard fees please see our Banking Charges Guides. Any changes to our fees will be notified to you in accordance with the Customer Relationship Agreement.

6. Interest

- 6.1 Interest will be calculated from the start of the Term at the fixed rate detailed in your Confirmation. The interest rate applicable to your Island Fixed Rate Deposit Account will remain fixed for the duration of the Term.
- 6.2 Interest is calculated daily on the cleared credit balance in your Island Fixed Rate Deposit Account. Unless agreed otherwise in writing, we will pay interest to your Nominated Account. If the Term of your Island Fixed Rate Deposit Account is in years (for example, 1 or 2 years) you can choose (in your Application Form, or by written agreement with us) to have interest paid either yearly or monthly. If the Term of your Island Fixed Rate Deposit Account is in months (for example, 6 or 18 months) you can choose (in your Application Form, or by written agreement with us) to have interest paid either monthly or at the end of the Term.
- 6.3 Where we pay interest yearly we will pay it on the anniversary of the start date shown in your Confirmation, or the next Working Day if that day is not a Working Day.
- 6.4 Where we pay interest monthly we will pay it once a month on the same day each month as the start date shown in your Confirmation, unless:
 - a. that day is not a Working Date, in which case we will pay interest on the next Working Day; or

When we write we may also send you information about other accounts we think may be appropriate, for example, if we are offering similar accounts at the time that you may want to transfer the balance to.
- 7.4 If we do not receive your instructions (or we cannot reasonably comply with your instructions, for example, because they are unclear or incomplete), your money will remain in the Island Standard Saver Account following the Conversion until we act upon clear and complete instructions to transfer the balance to another account.

8. Changes to these Island Fixed Rate Deposit Account Conditions
