Who we spoke to about the closure

We contacted these members of the local community

- The local MP for Brigg and Immingham
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for the nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- The local Citizens Advice Bureau
- The local Chamber of Commerce.

The feedback we received

Our customers told us they were disappointed about the closure of the branch. We explained about the local alternative banking options including the services available at the Post Office. Additionally, we highlighted there will be a banking hub coming to the area.

What we've done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us. This includes customers that may need extra support. We've let them know about other ways to bank and to provide help if they need it.
- We've partnered with the Digital Helpline who offer free one to one help over the phone to support customers to use the internet for banking. We've given customers with an identified need the contact details they need to access free support.

Our colleagues can help you

- Colleagues at the Brigg branch have received in-depth training. They can help with a range of customer needs, especially extra support about how we can help you bank.
