

Closing Branch Review – Part 2

Brighouse

Before we made the decision to permanently close the Brighouse branch we carried out a thorough review to understand what impact a branch closure would have on both customers and the wider community.

Communicating this change to customers

We observe the requirements of the Financial Conduct Authority – 'FG 22/6: Branch and ATM closures or conversions'. This means we took a range of factors into account before we decided to close the branch, and these are outlined in the Closing Branch Review – Part 1 document, which we published when the closure was announced. You can view it at lloydsbank.com/branchclosures

After talking to branch colleagues, we wrote to customers of the Brighouse branch to let them know about the closure. In the event of a branch closure, we will always give customers at least 12 weeks' notice, and in many cases even longer. This means they've got plenty of time to consider their options.

We displayed a poster in branch notifying customers of the closure and staff spoke to customers about other ways to do their banking, including Mobile, Internet Banking and PhoneBank, as well as visiting the Post Office. We made customers aware of alternative branches and free ATMs nearby.

Engaging with the local community

Who we contacted to understand the impact of the branch closure

- Craig Whittaker MP for Calder Valley
- Local Councillors
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Kirklees Citizens Advice Bureau and Law Centre
- West & North Yorkshire Chamber of Commerce

The feedback we received and what we did

- Regular customers told us they were disappointed about the closure of the branch. We explained about the alternative banking options and the services available at the Post Office.

What we have done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We've introduced a dedicated telephony team to provide support after the branch closes to identified customers who may need extra support.
- We've partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Brighouse branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.

The Brighouse branch will close permanently on 28 October 2024

This follows engagement with customers and the local community.

All your account details will stay the same

There will be no change to customer account numbers, sort codes, standing orders, direct debits, cards or PINs.

Your nearest branches are Halifax and Huddersfield

You can also use any Lloyds Bank branch to do your banking.
