Closing Branch Review - Part 1
Cheadle branch

Following an in-depth review, this branch will now close on 20 October 2020

Background and decision
Our customers’ needs are changing. Nearly 16 million people now
bank with us through Internet Banking and over 10 million use
Mobile Banking. Branches will remain vital in meeting customers’
needs but we must continually review our network to make sure we
have branches in locations where customers need and use them the
most.

As a result, we’ve made the difficult decision to close this branch
because customers are using it less often. In addition the majority of
customers are also using alternative ways to bank.

What this means for you
You can continue to use any other Lloyds Bank branch and the
nearest alternative is the Heald Green branch.

You can also use your local Post Office® for many everyday
banking transactions.

We’ll still be here to support you, and there are other ways you can
continue to do your banking – take a look at this document to find out
about these in more detail, as well as a summary of our review.

How we made our closure decision
When we close a branch, we complete a detailed impact analysis which includes:

- How customers are choosing to bank with us
- How often customers use the branch and how that usage
  is changing
- Current services available in the branch and the branch
  opening hours.

By regularly reviewing our branches we can make sure we respond to our customers’ changing needs.
