

Closing Branch Review – Part 2

Dover

Before we made the decision to permanently close the Dover branch we carried out a thorough review to understand what impact a branch closure would have on both customers and the wider community.

Communicating this change to customers

We observe the requirements of the Financial Conduct Authority – 'FG 22/6: Branch and ATM closures or conversions'. This means we took a range of factors into account before we decided to close the branch, and these are outlined in the Closing Branch Review – Part 1 document, which we published when the closure was announced. You can view it at lloydsbank.com/branchclosures

After talking to branch colleagues, we wrote to customers of the Dover branch to let them know about the closure. In the event of a branch closure, we will always give customers at least 12 weeks' notice, and in many cases even longer. This means they've got plenty of time to consider their options.

We displayed a poster in branch notifying customers of the closure and staff spoke to customers about other ways to do their banking, including, PhoneBank, Mobile and Online Banking, as well as visiting the Post Office. We also made customers aware of alternative branches and free ATMs nearby. We also let them know that a Community Banker will be visiting the area after the closure. Find out more in this Review.

Engaging with the local community

Who we contacted to understand the impact of the branch closure

- Natalie Elphicke MP for Dover
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Dover, Deal and District Citizens Advice Bureau
- Kent Invicta Chamber of Commerce

The feedback we received and what we did

- Our customers were disappointed that the branch was closing. We discussed and supported a number of customers to set up online and telephone banking as well as explaining what services are available at the Post Office.
- Natalie Elphicke MP and a Councillor wrote to us expressing disappointment at the decision to close the branch and asked whether a Banking Hub has been considered for Dover. We responded explaining the range of alternative banking options, and also outlined the assessment that was carried out.

What we have done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We have introduced a dedicated telephony team to provide support after the branch closes to identified customers who may need extra support.
- We have partnered with the Digital Helpline who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Dover branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.

The Dover branch will close permanently on 11 April 2024

This follows engagement with customers and the local community.

All your account details will stay the same

There will be no change to customer account numbers, sort codes, standing orders, direct debits, cards or PINs.

Your nearest branches are Folkestone and Deal

You can also use any Lloyds Bank branch to do your banking.

Read on to see other ways you can bank

Other ways to bank

Internet Banking, Mobile Banking and Telephone Banking services

These services give you access to your accounts 24 hours a day, 7 days a week.

To find out more information about these services or to register please visit [loydsbank.com](https://www.loydsbank.com)

Community Banker

In the run up to the branch closure branch staff will be on-hand to offer support and guidance on the ways you can bank with us. Plus, after the branch closes we'll have a Community Banker visit this area. They'll also be able to offer support and guidance on the ways you can bank with us. Over the coming months our branch staff will be able to let you know more about our plans for a Community Banker in the area. We'll also keep [loydsbank.com/communitybanker](https://www.loydsbank.com/communitybanker) up to date with this information.
