

# Closing Branch Review – Part 2

## Knightsbridge

Before we made the decision to permanently close the Knightsbridge branch we carried out a thorough review to understand what impact a branch closure would have on both customers and the wider community.

## Communicating this change to customers

We are committed to the Access to Banking Standard and observe the requirements of the Financial Conduct Authority – 'FG 22/6: Branch and ATM closures or conversions'. This means we took a range of factors into account before we decided to close the branch, and these are outlined in the Closing Branch Review – Part 1 document, which we published when the closure was announced. You can view it at [lloydsbank.com/branchclosures](https://lloydsbank.com/branchclosures)

After talking to branch colleagues, we wrote to customers of the Knightsbridge branch to let them know about the closure. In the event of a branch closure, we will always give customers at least 12 weeks' notice, and in many cases even longer. This means they've got plenty of time to consider their options.

We displayed a poster in branch notifying customers of the closure and staff spoke to customers about other ways to do their banking, including Telephone, Mobile and Online Banking, as well as visiting the Post Office. We also made customers aware of alternative branches and free ATMs nearby.

## Engaging with the local community

### Who we contacted to understand the impact of the branch closure

- Nickie Aiken MP for Cities of London and Westminster
- Banking Team and Senior Representatives from the Post Office
- Post Office Area Manager responsible for nearest three Post Offices to our closing branch
- National Federation of Sub Postmasters
- Citizens Advice Bureau Kensington & Chelsea
- London Chamber of Commerce and Industry

### The feedback we received and what we did

- A small number of customers told us that they were disappointed about the closure decision.

### What we have done to help make the change smoother

- We've called individual customers we know use the branch as their main way of banking with us, including customers that may need extra support, to talk to them about alternative ways to bank and to provide help if they need it.
- We have introduced a dedicated telephony team to provide support after the branch closes to identified customers who may need extra support.
- We have partnered with 'Digital Helpline' who offer free one to one guidance over the phone to support customers to use the internet for banking. Customers with an identified need for this service have been provided with contact details enabling them to get free support.
- Our colleagues at Knightsbridge branch have been given the training they need to have in-depth conversations with our customers, especially those who may need extra support, about how we can help them.

The Knightsbridge branch will close permanently on 7 November 2023

This follows engagement with customers and the local community.

All your account details will stay the same

There will be no change to customer account numbers, sort codes, standing orders, direct debits, cards or PINs.

Your nearest branches are Chelsea and London Victoria

You can also use any Lloyds Bank branch to do your banking.

Read on to see other ways you can bank
