

# Closing Branch Review (Part 1) – Teignmouth branch

**LLOYDS BANK**

Following an in-depth review, this branch will close on 18 July 2024

**Background and decision** - The world is becoming more digital than ever before and more of our customers are doing their everyday banking online. With more customers choosing to use digital ways to bank and manage their money, visits at this branch have fallen. As a result, we've made the difficult decision to close it.

**What this means for you** - We're still here to support you and there's a number of ways you can do your everyday banking with us - online, on your mobile, over the phone or at a Post Office®. You can use any of our branches and the nearest alternative is the Newton Abbot branch. And there's also a Banking Hub planned for this area. You can do your everyday banking there and customers from many other banks can use it. Read on to find out more, and for a summary of our review. Following engagement with the local community, an overview of the feedback we receive will be given in our Closing Branch Review Part 2.

## How we made our closure decision

When we close a branch, we complete a detailed impact analysis which includes:

- How customers are choosing to bank with us
- How often customers use the branch and how that usage is changing. This includes looking at trends in the year to March 2023 and the four previous years
- Current services available in the branch and the branch opening hours
- Assessment and check of alternative ways to bank including their proximity and accessibility – this is confirmed by a visit
- Assessment of public transport, availability and frequency
- Assessment of Broadband availability
- Impact on our customers including those who are vulnerable or may need additional support
- We've shared the closure plans for this branch with LINK who on behalf of the Cash Action Group have independently assessed the access to cash needs of the local community

By regularly reviewing our branches we can make sure we respond to our customers' changing needs.

## Internet Banking

Register for Internet Banking and manage your accounts 24/7, 365 days a year. To register, just go to [lloydsbank.com](http://lloydsbank.com), visit a branch or call us. If you need help using the internet, we've partnered with Digital Helpline to offer free one to one guidance over the phone. They can help you learn how to use the internet for banking and much more. Just call them on 01135 184 060 from Monday to Friday between 9am to 5pm. SignVideo services are available if you use British Sign Language. Visit [digitalhelpline.signvideo.net](http://digitalhelpline.signvideo.net)

With Internet Banking, you can:

- Check your balance and review and download statements
- Transfer money and pay bills
- Open new accounts
- Business customers can make up to 25 payments in one batch with our secure bulk payments service, can grant delegate access to multiple users and set up Online Payment Control
- Register your mobile for text alerts.

We'll never get in touch to ask you to move money to another account, for your personal details - or to take control of a computer. Digital Helpline won't do this either.

## Mobile Banking

Register for Mobile Banking, and do all your banking basics securely where and when it suits you, including paying in cheques using your device's camera. Find out more at [lloydsbank.com](http://lloydsbank.com)

With Mobile Banking, you can also sign up for text alerts to let you know when your balance reaches a limit you set. You must be signed up for Internet Banking beforehand.
