Closing Branch Review - Part 1
Upton-by-Chester branch

Following an in-depth review, this branch will now close on 14 October 2020

Background and decision
Our customers' needs are changing. Nearly 16 million people now bank with us through Internet Banking and over 10 million use Mobile Banking. Branches will remain vital in meeting customers' needs but we must continually review our network to make sure we have branches in locations where customers need and use them the most.

As a result, we’ve made the difficult decision to close this branch due to customers using it less often. In addition, the majority of customers are also using alternative ways to bank and we have another branch close by.

What this means for you
You can continue to use any other Lloyds Bank branch and the nearest alternative is the Foregate Street Chester branch.

You can also use your local Post Office® for many everyday banking transactions.

We'll still be here to support you, and there are other ways you can continue to do your banking – take a look at this document to find out about these in more detail, as well as a summary of our review.

How we made our closure decision
When we close a branch, we complete a detailed impact analysis which includes:

- How customers are choosing to bank with us
- How often customers use the branch and how that usage is changing
- Current services available in the branch and the branch opening hours.

By regularly reviewing our branches we can make sure we respond to our customers’ changing needs.
