

# Closing Branch Review – Part 2

## Wickham

Before we made the decision to permanently close the Wickham branch we carried out a thorough review to understand what impact a branch closure would have on both customers and the wider community.

### Communicating this change to customers

We are committed to the industry-wide Access to Banking Standard and have taken a range of factors into account before we decided to close the branch. These are outlined in the Closing Branch Review – Part 1 document, which we published when the closure was announced. You can view it at [lloydsbank.com/branchclosures](https://lloydsbank.com/branchclosures)

In January last year we announced our intention to permanently close this branch in August 2020. However, due to the impact of Covid-19 the branch closed temporarily in March 2020. In November 2020 we permanently closed the branch and we wrote to our customers again to let them know.

Posters keeping customers updated were displayed in the branch and colleagues were on hand in nearby branches to support customers with other ways to do their banking, including PhoneBank, Mobile and Internet Banking, as well as visiting the Post Office. We also made customers aware of alternative branches and free ATMs nearby.

### Engaging with the local community

#### Who we contacted

We contacted key members of the local community in January 2020 to help us understand what the impact of the closure would be, and re-contacted them in December following the permanent closure.

- Flick Drummond MP for Meon Valley
- Local councillors
- Citizens Advice Bureau
- Chamber of Commerce
- Age UK
- LINK
- The local Post Office
- The central Post Office® Transformation team

#### The feedback we received

A number of both personal and business customers expressed their frustration that the branch was closing, along with concerns that this would affect the way they carried out their banking.

Flick Drummond MP contacted us to request a meeting regarding the closure.

#### What we have done to help make the change smoother

- We have offered customers, including vulnerable customers, support with other ways to do their banking, including Telephone, Mobile and Internet Banking. We have also explained all the other ways to bank locally, including alternative branches and the Post Office®.
- We listened to customer concerns and responded to help them understand the alternative ways to bank, including services available locally.
- We proactively contacted business, charity, club and society account customers who frequently use this branch to discuss the options available and all alternative ways to bank.
- A specialist team has been supporting colleagues in this branch and nearby branches with how to identify and explain the alternative ways to bank, tailored to the specific need of their customers.
- We sent an additional letter to all customers aged 70 and over during the closure period reminding them of the additional help and support available during the pandemic. This support included a new dedicated telephone support line specifically for these customers. Branch colleagues also reached out to them by phone to check they were ok at this time.
- A reminder of the dedicated telephone support line available for all customers aged 70 and over was also included in the letters we issued advising of the closure.
- We proactively made contact with our most vulnerable customers to discuss any support they may need following the closure of the branch.

The Wickham branch closed permanently on **3 November 2020**

This follows engagement with customers and the local community.

- We have partnered with 'We Are Digital' who offer a free helpline to support customers getting online, and details were provided to customers in the letters we issued advising of the closure.
- We informed the local Post Office® and the central Post Office® Transformation team of our branch closure so they can plan for any change in customer demand.
- A meeting was held with Flick Drummon MP in February 2020 to discuss the concerns she raised and explain the rationale for the closure decision. Following the meeting we also wrote to her addressing the points she raised.

## Other ways to bank

### Internet Banking, Mobile Banking and PhoneBank services

These services give you access to your accounts 24 hours a day, 7 days a week.

To find out more information about these services or to register please visit [lloydsbank.com](https://lloydsbank.com)

### Post Office®

Customers with a debit card can make immediate cash deposits, card withdrawals up to their ATM limit and get balance enquiries.

Personal and Business Banking customers can also deposit cash and cheques using a paying-in slip at any Post Office® nationwide (Personal customer cash deposit limit is £1000).

Deposits made at the Post Office® using a paying-in-slip will take at least one additional day to credit to your account.

To find your most convenient Post Office® and its opening times, please search on the Post Office® Branch Finder: [www.postoffice.co.uk/branch-banking-services](https://www.postoffice.co.uk/branch-banking-services)
