

Club Lloyds Account Value

Information correct as at 31/03/2026.

What is included in the value amount

This valuation is to give a guide to the value of benefits achievable. It is not to replace the full eligibility criteria within the Terms and Conditions.

To achieve maximum potential value, customers must meet conditions each month to qualify for the maximum benefit.

We've rounded all values to the nearest pound.

Customers can find all the details in the Terms and Conditions.

Summary of Value

Benefit	Annual Value
Credit interest	£60 (maximum)
Lifestyle benefit	£69 (average)
Total	£129

Credit Interest

To achieve the maximum value of credit interest of £60 per year, the account holder must hold a minimum of £5,000 in the account every day for 12 months. They also need to pay two different direct debits from the account each month.

Customers can find all the details in the Terms and Conditions.

Lifestyle Benefit

Club Lloyds customers can pick one Lifestyle Benefit for each 12 month period. Customers can choose from several options: 12 months of Disney+ Standard with Ads, six cinema tickets with either ODEON or Vue (including discounted popcorn vouchers), a Coffee Club and Gourmet Society membership, or a digital and physical magazine subscription.

The average value of all selectable benefits as of 31st March 2026 is £69.

Benefit	Average Annual Value
Standard with Ads Disney+	£72
Cinema Tickets (Inc. popcorn discount)	£72
Gourmet Society & Coffee Club	£35 (GS) & £25 (CC)
Magazine Subscription	£72

- The Disney+ Standard with Ads subscription currently costs £5.99 per month when Customers purchase on the Disney+ website.
- Cinema tickets including popcorn discount prices are provided by ODEON and Vue and average £72 yearly. Customers receive six tickets for the 12-month period. This figure is the average value of tickets redeemed in 2025 by Club Lloyds customers.
- Gourmet Society and Coffee Club are not available to purchase as a package in the marketplace. Gourmet Society is currently available to the public at an annual cost of £34.99. Coffee Club is £24.99.
- An average annual retail cost of all the magazines available on the subscription has been used, taking into account the item cost and number of issues released per year.
