Additional Conditions: Club Lloyds Silver and Club Lloyds Platinum Accounts

Effective from 1 April 2023

These conditions apply to Club Lloyds Silver and Club Lloyds Platinum Accounts. They tell you when you may get a discount on your monthly maintaining the account fee. Please read them carefully. Keep them so you can refer to them. They are part of your agreement with us. They apply as well as your Lloyds Bank Personal Banking Terms and Conditions. If these conditions differ from the Lloyds Bank Personal Banking Terms and Conditions, these conditions apply. Ask us if you want to check anything. These conditions apply while you have a Club Lloyds Silver or Club Lloyds Platinum Account.

What is the discount?
For any month you qualify:
• you’ll get a £2 discount if you have a Club Lloyds Silver Account; or
• you’ll get a £5 discount if you have a Club Lloyds Platinum Account

How do you get the discount?
You need to meet either the bank account condition or the savings condition to get the discount the next month.

The bank account condition:
• pay £4,300 or more during the month into a Club Lloyds Silver or Club Lloyds Platinum Account you hold in your name only.
  Or pay £5,500 or more during the month into a Club Lloyds Silver or Club Lloyds Platinum Account you hold jointly
• the only payments into your account which don’t count when we check if you have met the bank account condition are:
  1. money paid back to your Club Lloyds Silver or Club Lloyds Platinum Account, e.g. a debit card transaction refund; or
  2. any money sent to your Club Lloyds Silver or Club Lloyds Platinum Account from Lloyds Bank branded accounts which you hold jointly or in your name only

The savings condition:
• have savings of £75,000 or more in any UK Lloyds Bank branded personal bank or savings accounts;
• these can be in more than one account;
• the £75,000 must be held for the whole month;
• for a Club Lloyds Silver or Club Lloyds Platinum Account in your name only, these savings can be in accounts in joint names or in your name only. For joint Club Lloyds Silver or Club Lloyds Platinum accounts, these savings can only be in accounts in the same joint names;
• if you have a Club Lloyds Silver or Club Lloyds Platinum Account in your name only and change it to a joint account, the £75,000 will need to be in accounts in the same joint names as your Club Lloyds Platinum or Club Lloyds Silver Account for the whole month to qualify;
• if your savings fall below £75,000:
  1. on any working day, you have until midnight on that day to top it back up. If you do not top it back up, you will not qualify for that month;
  2. on a non-working day, top ups on those days will not count and you will not qualify for that month
• these accounts will not count when we check if you have met the savings condition:
  – Stocks and Shares ISAs, currency accounts or other investment accounts;
  – any non-personal account e.g. an account for clubs, charities or a business account;
  – a children’s account e.g. a Smart Start, Junior Cash ISA or a Child Saver account;
  – accounts with Scottish Widows Bank;
  – accounts provided by Lloyds Bank Corporate Markets plc including International and Island accounts;
  – Under 19s, Student and Graduate Current Accounts
**Things to note**

In these conditions:

- "month" is a calendar month;
- "working day" is any day that falls on a Monday to a Friday except days that are English bank holidays;
- "non-working day" is any day that is a Saturday, Sunday or an English bank holiday

We check if you qualify each month. We do this by looking to see if you met either the bank account or the savings condition the month before. When we do this, we won’t count money paid in on non-working days until the next working day. This means to qualify for the bank account condition in a month you need to make sure you pay in the required amount during that month, avoiding any non-working days which fall at the end of a month. It also means that you will not get the discount if your savings fall below £75,000 on non-working days.

We will only apply one discount payment if you have a joint account and you both qualify in a month.

You only qualify for a discount for months where you have a Club Lloyds Silver or Club Lloyds Platinum Account for the whole month and pay the full monthly maintaining the account fee for those months.

You will only receive the discount payment into your Club Lloyds Silver or Club Lloyds Platinum Account. You will receive this in the same month that we check if you qualify.

**Club Lloyds:** As you have a Club Lloyds Platinum or Club Lloyds Silver Account, if you pay in £2,000 or more into your account each month, you won’t be charged the Club Lloyds fee. When you meet the bank account condition for any month, the Club Lloyds fee won’t be charged and you do **not** need to pay an additional £2,000 or more into your account.

You won’t qualify for the discount payment if when we check:

- you have not paid the full monthly maintaining the account fee for the previous month;
- we reasonably think there is illegal or fraudulent activity relating to the account;
- you no longer have a Club Lloyds Silver or Club Lloyds Platinum Account;
- you have changed to a different account. This includes if you have changed from a Club Lloyds Silver to a Club Lloyds Platinum Account, or from a Club Lloyds Platinum to a Club Lloyds Silver Account;
- we are unable to pay this due to law or regulation

**How can these Conditions be changed?**

We may end or change these conditions at any time. Our Lloyds Bank Personal Banking Terms and Conditions explain when and how we can do this.

**Here are some examples:**

You already have a Club Lloyds Silver or Club Lloyds Platinum Account:
