LLOYDS BANK

We are making some important changes to some of our accounts. Please find below details of these changes.

Under 19s Account

From 24 September 2018, we will be reducing the credit interest you can earn on your Under 19s Account. The current interest rate of 1.50% AER/1.49% Gross variable, payable on balances between £1 and £2,499.99, will reduce to 0.50% AER/0.50% Gross variable.

How your credit interest rate is changing

Balance	Today	From 24 September 2018
	Current variable interest rate	New variable interest rate
£1-£2,499.99	1.50% AER / 1.49% Gross	0.50% AER / 0.50% Gross
£2,500+	No interest is paid on the amount of your balance over £2,499.99	

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

Gross rate means we will not deduct tax automatically from the interest we pay on money in your account. It's your responsibility to pay any tax you may owe to HM Revenue & Customs (HMRC).

Changes in Terminology

Over the coming months we will be changing the words we use to describe some of our banking fees and services. For example, "planned overdraft" will become "arranged overdraft" and "sterling" will become "pounds". Only the description will change, everything else will stay the same. You will be able to see the full list of new terms on lloydsbank.com from July 2018.

Banking Charges

This section provides information on the charges that apply to our personal current accounts. We also explain where the charges apply to savings accounts.

Unless you pay a monthly fee for an account with added benefits, we don't normally charge you for everyday banking – providing your account is in credit. There are some events, however, like using your cards to withdraw cash or make a payment in a currency other than sterling, where there may be charges.

If you want to use a service we haven't covered here, we'll always let you know before you are charged.

Different fees are taken from your account at different times. For example, regular fees like monthly account or benefit package fees will come out of your account at the end of your monthly billing period. This is usually from the second working day of each month to the first working day of the next month, but if it is different we will have told you this separately. If you'd like to check what your monthly billing period is please just ask us in branch, or call us on **0345 300 0000**.

There are some charges that are made at the time we provide you with the service, for example, when you use your debit card to withdraw cash or make a payment in a currency other than sterling.

If you open, change or close an account or service that has a regular fee attached to it, such as a monthly account fee, part way through your billing period, you'll only pay for the time you've actually had it. If you open a Club Lloyds account part way through a monthly billing period, you will not be charged a Club Lloyds fee for that monthly billing period.

Current account fees

There are no monthly account fees for:

- Classic Account
- Under 19s Account
- Student Account
- Graduate Account
- Basic Account
- Islamic Account (no new account applications can be accepted for an Islamic Account).

We also have accounts that offer additional benefits, such as insurance or lifestyle benefits, details of which are included in the special conditions or policy terms for that account. The monthly fees for these accounts are:

Account	Monthly fee
Club Lloyds	£3 If you pay £1,500 or more into the account in any calendar month, the Club Lloyds fee for that monthly billing period won't apply.
Platinum ⁴	£19
Silver ⁴	£11.95
Gold ⁴	£14.95
Premier ⁴	£27

⁴We cannot accept new account applications for these products.

* **Platinum:** If you opened your account before 14 January 2005 you won't have to pay your monthly account fee if your balance remains at or above £4,000 during the monthly billing period. If your account is upgraded, downgraded or you add Club Lloyds benefits to your account, the monthly account fee will apply.

You can add Club Lloyds benefits to your Platinum Account (subject to meeting the relevant conditions). If you have added a Club Lloyds benefits package to your Added Value Account, you will pay both the Club Lloyds fee and the fee for your Added Value Account (even if you currently benefit from not paying a monthly fee on your account), but if you pay £1,500 or more into the account in any one calendar month the Club Lloyds fee for that monthly billing period won't apply.

If the type of account you hold isn't listed here please visit lloydsbank.com for an overview of your account features and charges, or ask in branch.

Overdrafts

If overdrafts are available on your account, you can apply for one. We base any decision to offer you a Planned Overdraft on your eligibility.

If we agree to the Planned Overdraft and you use it, we will charge you a daily overdraft fee. The amount will depend on your balance at the end of the day.

On an account with a Planned Overdraft limit, if you try to make a payment that would take your account over your Planned Overdraft limit, we may not make that payment.

On an account without a Planned Overdraft limit, if you try to make a payment that would take your account overdrawn, we may not make that payment.

We won't charge you any fees for refusing or trying to refuse your requested payments. But we will continue to charge a daily overdraft fee for your use of a Planned Overdraft if any fees or payments take, or have taken, your account above your Planned Overdraft limit. In this case, the daily overdraft fee will not exceed the maximum daily overdraft fee you would pay. For example, if your Planned Overdraft limit was £140 and the daily overdraft fee for this was 20p a day, you would not pay more than this even if you were overdrawn by more than £140.

To ensure we make all your payments, it's important that you manage your account within your Planned Overdraft limit.

If you want to increase your Planned Overdraft limit, please get in touch with us. We'll see if we can help.

All overdrafts are subject to status and repayable on demand.

Daily overdraft fees

Our daily overdraft fee will depend on the amount of your Planned Overdraft balance each day at the end of the day including bank holidays and weekends. We will take the amount of the daily overdraft fee from your account overnight.

When we charge a daily overdraft fee it becomes part of your balance. This means if we charge a further daily overdraft fee, it is based on the total balance including previous daily overdraft fees.

The daily overdraft fee is 1p for each full £7 of your Planned Overdraft you have used. We also have fee-free amounts depending on which account you hold. Please see the section below ('Fee-free overdraft amounts') for more information.

REPRESENTATIVE EXAMPLE

If you use a Planned Overdraft of £1,200 on our Classic Account, then we'll charge you a daily overdraft fee of £1.71.

We won't charge you any interest or any other fees for using your overdraft.

Fee-free overdraft amounts

Some of our current accounts have fee-free amounts. This means if you're in debit by that amount or less, you won't pay a daily overdraft fee.

The amounts are set out below:

Planned Overdrafts are not available on these accounts. If you do go overdrawn, you will not be charged a daily overdraft fee.

^AWe cannot accept new account applications for these products.

Avoiding a daily overdraft fee

You can avoid paying a daily overdraft fee if your balance goes overdrawn during the day but you pay money into your account later the same day to bring it back into credit. You have until the end of the day to get your account back into credit and avoid paying a daily overdraft fee for that day. The money needs to be immediately available to use, so you could transfer money from another personal account you have with us via Mobile Banking, Internet Banking or Telephone Banking or pay in cash directly over the counter at one of our branches with a counter.

You should check your available balance via Mobile Banking, Internet Banking or through a Cashpoint or in branch, to make sure you have enough money in your account to pay everything due. The money in your account must be available to withdraw. It is important that we can make any payments you want to make. You should always try to make sure there is enough money in your account and try to move any large payments that are due to a time in the month when you have more money. Subject to our lending assessment of you, you should also make sure your Planned Overdraft is enough to allow us to make all payments.

The information in the sections 'Charges for using your card' and 'Other Services' applies to personal current accounts and savings accounts (if your savings account offers the relevant card or service).

Payment of standing orders and future dated payments

We make payments from your account shortly after midnight at the start of the due date. If your payment date falls on a non-working day, then we will try to collect your payment the next working day. If you don't have enough funds in your account at this point to make a payment, we will try to make a payment again after 2.30pm the same day. This gives you the chance to put extra funds into your account so that we can make the payment. The money needs to be available to use straight away, so you could transfer money from another personal account you have with us via Internet, Mobile or Telephone Banking or pay in cash directly over the counter at one of our branches with a counter.

If you do not have enough funds at the beginning of a day to make a payment:

- You have until 2.30pm to pay money into your account to make the payment that day.
- If a payment takes you into any type of overdraft, you have until midnight to pay money into your account to avoid a daily overdraft fee for that day.

If there are still not enough available funds, we will make a final try on the next working day before rejecting the payment. We won't charge you for this and we'll tell you when we've rejected the payment.

Personal Current Account Special Conditions

In this section, we explain the specific conditions and product features that apply to our different personal current accounts.

Some of our branches are Counter-free and are designed to give you access to your account mainly by using cash machines and immediate deposit machines (IDMs). 3. What other special conditions apply to my account?

On some of our accounts additional special conditions apply. These are below.

Club Lloyds Account

You can apply for a Club Lloyds Account or a Club Lloyds benefits package can be added to our Platinum Added Value Account. If you add a Club Lloyds benefits package then these Club Lloyds conditions are in addition to those that apply to your current account and they will apply from the day that the Club Lloyds benefits package is added to your account. You will need to be resident in the UK to take advantage of the banking offers and Lifestyle Benefits that come with Club Lloyds. The monthly billing period for Club Lloyds accounts is from the second working day of a calendar month to the first working day of the next. If you are upgrading to Club Lloyds or adding a Club Lloyds benefits package and this is different to your current monthly billing period, we will change it straight away. Customers may hold a maximum of one account with Club Lloyds benefits (either a Club Lloyds account or an Added Value current account with a Club Lloyds benefits package) in their sole name and one in joint names. No more than two customers may hold any one Club Lloyds account or have a Club Lloyds benefits package added to their account.

We will pay interest on a credit balance in your account for that billing period as long as you have a minimum of two different direct debit mandates paid from your account during the calendar month. We will not pay credit interest if this condition is not met. We also do not pay credit interest on the amount of any balance over £5,000. We work out credit interest on a daily basis at the relevant interest rate from the 2nd working day of that month and pay it to your account at the end of the first working day of the next month.

Club Lloyds Account Credit Interest rates (variable)

Balances between	AER %	Gross p.a. %

We provide a range of offers on banking products that are available to our Club Lloyds customers. Further details about our Club Lloyds banking offers, and the conditions that govern these products, can be viewed at lloydsbank.com, in our UK branches or by phoning us on **0345 300 0000**. The banking offers which we make exclusively available to our Club Lloyds customers may change from time to time.

A Club Lloyds account holder is entitled to choose to receive any one from a range of Lifestyle Benefits each of which is described in the Club Lloyds welcome pack. For a joint account only one benefit can be chosen.

These benefits are provided by different third party suppliers, through Grass Roots Group UK Limited, Pennyroyal Court, Station Road, Tring, Herts, HP23 5QZ. Company Registration number 4155659. Benefits in each case are subject to the supplier's terms and conditions and are subject to change upon notice by the provider. You have 30 days from the date the account is opened

to select the benefit you wish to receive, and the chosen benefit will commence at the end of that period. If a selection is made more than 30 days after the account has been opened (or more than 30 days following any subsequent account anniversary date), the benefit chosen will be provided on a proportionately reduced basis until the next anniversary date.

Shortly after opening or converting your bank account to a Club Lloyds account, you will receive a welcome letter or e-mail. This will contain the terms and conditions of each of the benefits offered including eligibility and exclusions as well as how and when you can change the benefit you select, so please read them carefully. If you do not receive this in 14 days from the time you have opened or converted your account to Club Lloyds then please contact Grass Roots Group UK Limited on **0345 303 0303** or local number **01733 462 224** (8am to 10pm, seven days a week). You can also use this number to choose your Lifestyle Benefit if you have not done so already.

To exercise or change your benefit option you must follow the procedures contained in the welcome letter or email sent to you by Grass Roots Group UK Limited. The benefit selected will apply for a year after which you will be given the option to change the benefit you wish to take. If you choose not to change your benefit, then your existing benefit will be automatically renewed for another year. The benefit option selected will continue for so long as the Club Lloyds account remains open, or you have a Club Lloyds benefits package added to an Added Value Account, and the Club Lloyds fee continues to be paid or conditions for the fee to be waived are met.

If you close your Club Lloyds account, remove the Club Lloyds benefits package from your account, change to one of our other account types (without Club Lloyds), or cease to be eligible for the account in any other way we reserve the right to cancel any benefits associated with the account.

None of the Lifestyle Benefits can be combined with any other offer or exchanged for cash or other alternatives. The range available may be subject to change from time to time upon notice by us or the supplier.

⁴We cannot accept new account applications for these products.

Basic Account

Our Basic Account is for customers who are legally resident in the EU and do not qualify for one of our other bank accounts. There are limits on the number of accounts you can have and what you can then do. You can have up to two Basic Accounts; one account must be in your sole name and one in joint names. Either of you can sign and give instructions on behalf of the other. We do not provide a cheque book or Planned Overdraft on this account.

There are limited circumstances where we can close a Basic Account. We may decide to close your account if we become aware that you have:

- opened another payment account in the United Kingdom;
- given us false or misleading information when you applied for the account which, had we known about it at the time, would have caused us to refuse to open your account;
- not used your account for more than 24 consecutive months;
- used or tried to use your account unlawfully or have acted threateningly, abusively or violently towards our staff; or
- left the EU or reside in a state that is no longer part of the EU.

If we decide to close your account, we will write to you at least two months before, explaining our position unless this would mean we would be breaking any law, regulation, code, obligation or duty (including to our staff). We won't write to you two months before if we are closing your account because you have used it or tried to use it for illegal activity, or you have provided incorrect information or have acted in an abusive, threatening or violent way.

From time to time we will review your financial circumstances and the way you are using your account. We may decide to move you to a more suitable account if you become eligible for it. We will write to you about this at least two months before moving your account, giving our reasons.

For customers who open a Basic Account from 2 September 2016, for fraud and security reasons, if you apply for your account while living outside the UK, we will not open your account until you have registered for Internet Banking. Once registered, you will receive statements and certain other correspondence electronically. You can choose to receive these on paper at any time.

Under 19s Account

You can only have an account in your sole name.

You can choose to have either a Cashpoint card for accessing your money at cash machines only – both in the UK and outside the UK or a Lloyds Bank Visa debit card which you can use to pay for things in shops, on the Internet and to access your money at cash machines – both in the UK and outside the UK.

You will earn a variable rate of interest, of **1.50% AER** (1.49% Gross) paid quarterly, on credit balances up to £2,500. You will not earn interest on balances of £2,500 and over.

Some services such as Telephone Banking will only be available when you turn 16. If you choose to have a debit card, some transactions, like gambling, may be inappropriate for your age group, so we will block your card from making purchases in some shops or on some websites that are potentially unsuitable. If you want to change your card to one that doesn't have this added protection you can ask for a replacement card in branch when you turn 16.

If you still hold your Under 19s Account in the year of your 19th birthday, we will change your account to a Classic Account, or similar account if we no longer offer a Classic Account. We will always write to you at least two months before to let you know what's changing.

Student Account

To have a Student Account you must be studying for a full-time course that lasts for a minimum of two years or be on a one year access course leading onto a full-time degree. You can only have one Student Account with us in your sole name and you cannot have a Student Account with another provider. You must tell us if you are no longer eligible for the account. When you graduate from your course, or after a maximum of six years, we will convert your account to a Graduate Account. If you are not eligible for a Graduate Account (for example you leave full-time study before graduating) we will convert your account to a Classic Account (or similar account if it is no longer available). We will write to you about this, giving you at least two months' notice before changing your account.

Graduate Account

The Graduate Account is only available to Lloyds Bank Student Account customers whose account will change to a Graduate Account after graduation. The Graduate Account is not available to new or existing customer applications. You can only have the Graduate Account for up to three years from graduation. Around the third anniversary of your graduation, we will convert your account to a Classic Account (or similar if it is no longer available). We will write to you about this, giving you at least two months' notice before changing your account. You can only have one Graduate Account in your sole name. The amount of your Planned Overdraft that is fee-free will reduce at the end of each academic year. We will give you at least two months' notice before this happens.

Platinum Account

The additional benefits for this account are provided by third parties. The terms that apply to these benefits can be found in the Platinum Account welcome pack.

No new account applications can be accepted for the following products:

Islamic Account

This account offers banking in accordance with Shariah law, with no credit interest or daily overdraft fee, no Planned Overdraft, no minimum balance required and no charges for everyday transactions if you stay in credit. Any money you keep with us will not be used for any interest-based or non-Shariah-approved activities.

Silver Account

The additional benefits for this account are provided by third parties. The terms that apply to these benefits can be found in the Silver Account welcome pack.

AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year.

We will pay your interest 'gross', this means we will not deduct tax automatically from it. Depending on your personal circumstances you may need to pay tax on the interest you earn. You will be responsible for paying any tax you may owe to HM Revenue & Customs (HMRC).

We give these to you when speaking to you or in documents such as our application forms, letters or leaflets (such as welcome packs), on our website and in our Banking Charges section.

Additional conditions include things like minimum and maximum balances you have to keep on an account and how to qualify for a particular account, service, rate or benefit.

If an additional condition conflicts with a general condition, the additional condition applies.

Under the general conditions, you can make payments to accounts with other banks. If the additional terms for a savings account say you can only make payments to another account with us, those terms apply instead.

You must not open or use a personal account to hold money for someone else (including as a trustee or personal representative) or for the purpose of a business, club, charity or other organisation without our consent. We have different agreements for customers who are not personal customers.

You explicitly consent to us accessing, processing and retaining any information you provide to us, for the purposes of providing payment services to you. This does not affect any rights and obligations you or we have under data protection legislation. You may withdraw this consent by closing your account.

Meaning of words we've used

we, us, our	Lloyds Bank plc.

We explain the meaning of some other words at the start of each section of this booklet.

Section B – Checks, account security and keeping you informed

We need to make sure that only you can access your accounts. This section explains what you and we both need to do to protect your information and accounts. It also covers the information we will give you about your account.

Meaning of words we've used	
device	Anything such as a card, electronic wallet, smartphone or another device that you can use on its own or in combination with your security details to access your account or give instructions.
security details	Details or security procedures you must follow or use to make an instruction, confirm your identity or access a device (for example a password, security code (or PIN) or biometric data such as a fingerprint).

1. How do we know we are dealing with you?

- 1.1 We will assume we are dealing with you and will provide information about your accounts and services and act on instructions (without further confirmation) if we have checked your identity, for example in one of the following ways or in any other way we may introduce:

Method of instructing us	Check
In person in a branch	Evidence of identity (such as a passport) or use of a device with security details
By cheque or in writing	Your signature
Telephone, Internet or Mobile Banking or using a device	Use of your security details
Contactless	Use of a device

2. How do you and we keep your account secure?

- 2.1 We will do all we reasonably can to prevent unauthorised access to your accounts and to make sure they are secure.
- 2.2 You must:
 - follow instructions we give you, which we reasonably consider are needed to protect your accounts from unauthorised access;
 - not let anyone else (even someone sharing a joint account with you) use any device or security details;
 - not let anyone else give instructions or access information on your accounts unless they have a separate arrangement with us or you have authorised them to operate your accounts for you;
 - if there is a signature strip on a card we give you, sign the card as soon as you receive it;
 - keep your device secure and protect it from damage; and
 - do all you reasonably can to prevent anyone else finding out your security details.

You should:

- carry out regular virus checks on devices you use for Internet Banking or mobile services.

You should not:

- tell anyone your security details;
- change or copy any software we provide, or give it to anyone else;
- choose obvious passwords or codes (such as your date of birth) as part of your security details;
- write your security details on, or keep them with, your device or banking documents;
- write down your security details in a recognisable way; or
- let anyone listen to your calls with us, or watch you entering or using your security details.

- 2.3 You must tell us as soon as possible (see 'How to contact us') if you:
- a. think any device or security details have been lost, stolen, damaged or are being misused; or
 - b. think someone can access your accounts without your authority or has discovered your security details.

i
If your card details are stored on a device (like a smartphone) you should tell us if you lose your device.

- 2.4 If we, the police or other authorities are investigating any misuse (or alleged unauthorised use) of your accounts, you must provide information and help that we or they ask for if the request is reasonable. We, the police or any other authorities would never ask you for your security details. We may pass related information to other banks or companies involved in payment processing, or to the police or other authorities, in the UK or (if appropriate) outside the UK.
- 2.5 You are responsible for checking statements, text messages or other account information we give you. We will correct any errors as soon as reasonably possible after becoming aware of them.

3. How will you get statements and other information?

- 3.1 We will normally provide a statement each month that there are payments out of the account. You can ask us to provide statements less often than monthly, but we will always provide a statement at least once a year. Each statement will set out all the payments into and out of your account and will contain other information about those payments.
- 3.2 We normally send statements by paper but if you have registered for Internet Banking, we may provide statements electronically. If we do so, we may also send you paper statements, but we may choose to do so less often. For example, if we provide electronic statements monthly, we may send paper statements annually.
- 3.3 You can also ask us for information about payments at any time. You can do this or order a paper statement at any branch or through Telephone Banking. If we have already provided a statement on paper, we will charge you for a duplicate.

Section C – Making and receiving payments

In this section we explain how you can ask us to make payments from your account and how soon you can use money paid in. You can also use a third party provider to make payments on certain accounts (you can find out more about third party providers in Section I). If you do use such a provider, those payments will be made in the same way we set out in this section. We also explain how to stop payments and what happens if something goes wrong.

Meaning of words we've used

cut-off time	The latest time we can process instructions or add payments to an account.
device	Anything such as a card, electronic wallet, smartphone or another device that you can use on its own or in combination with your security details to access your account or give instructions.
EEA	The European Economic Area, which means the countries in the European Union plus Iceland, Norway and Liechtenstein.
IDM	Immediate Deposit Machine.
security details	Details or security procedures you must follow or use to make an instruction, confirm your identity or access a device (for example a password, security code (or PIN) or biometric data such as a fingerprint).
SEPA	The Single Euro Payments Area. In Section N we include a list of the countries in SEPA.
working day	Monday to Friday (except English bank holidays). You can give some instructions for payments on non-working days, but we do not complete their processing on our systems until the next working day except for card payments. This is explained below.

The time periods given assume we receive a payment or payment instruction before the cut-off time on a working day. If it is received after the cut-off time or on a non-working day, we will treat it as being received the next working day, except cash paid into a branch over the counter at a branch with a counter on a non-working day which will show in the account and you can use it, on the day you pay it in.

4. How can payments be made into your account?

- 4.1 Payments in sterling can be made into your account by cheque, direct transfer from another account and in cash; and by cheque or direct transfer from international accounts in other currencies. Cut-off times for payments into your account depend on how the payment is made. The table below shows our cut-off times for receiving payments by cash, cheque or direct transfer.

Method	Cut-off time
Branch counter	Branch closing time
IDM (if available)	Branch closing time
Depositpoint™ (if available)	One hour before branch closing time or, if the branch closes at 5pm or later, 4pm
Post Office with a counter service	As stated by the Post Office
Cashpoint (that accepts payments in)	End of the day
Electronic transfer from another bank account	End of the day

The tables below show how we process these payments.

4.2 Paying in cash at Lloyds Bank or (in Scotland) Bank of Scotland

Method	If paid in by the cut-off time, does cash show in your account that day?	Can you use cash the day it is paid in?	From the day cash is paid in, does it affect any interest you get or daily overdraft fee you pay?
Branch counter	Yes	Yes – immediately after it is counted.	Yes
IDM (if available)		Yes – soon after the cut-off time when the cash is counted.	
Depositpoint (if available)			
Cashpoint (that accepts payments in)	No – we will count the cash the next working day. From that day, it will show in your account, you can use it and it will affect any interest you get or daily overdraft fee you pay.		
Post Office with a counter service	No – the cash will show in your account, will be available for you to use and will affect any interest you get or daily overdraft fee you pay from the day we receive it from the Post Office. Usually this will be the next working day.		

Paying in coins – in any day we will usually limit you to ten bags of coin, regardless of the number of accounts you have. You cannot use one of our Counter-free branches to pay coins into your account.

Paying in cash through a Mobile Branch – in any day we will usually limit you to £5,000, of which no more than five bags can be coin.

You can deposit cash at most Post Offices using a personalised paying-in slip. Please ask the Post Office you intend to use if they offer this service.

If you pay cash into a Lloyds Bank Cashpoint on Monday, you will be able to use it as soon as we have counted it on Tuesday.

4.3 Direct payments received from another bank account

Paying-in method	Does the payment show in your account on the day we receive it?	Can you use the money on the day we receive it?	From the day cash is paid in, does it affect any interest you get or daily overdraft fee you pay?
Transfers on a non-working day between two personal accounts (A) and (B) in your name with Lloyds Bank	No – it will show in B on the next working day.	Yes – immediately available in B.	No – it will count for interest paid or any daily overdraft fee charged in A until it is shown in B.
Any other direct payment (e.g. standing order, direct transfer)	Yes.	Yes – immediately.	Yes.

4.4 Sterling cheques (paid in at Lloyds Bank or any bank in the UK, Isle of Man, Gibraltar or Channel Islands and most Post Offices)

Payments show in your account on the working day we receive the cheque (if you pay it into a Cashpoint, this will be the next working day after you pay it in). The table below explains what happens while the cheque is being 'cleared' (collected from the other bank). We use one of the two clearing processes:

- The '2-4-6' process
- The 'Cheque Imaging' process (being introduced during 2018)

The 'Cheque Imaging' process will be introduced gradually, and if we are using the new process we'll display a notice when you pay in a cheque.

If you need to be sure a cheque has been paid, you should pay it in over the counter at a branch with a counter, and ask for 'special presentation' of the cheque. There is a charge for this service.

Cheque clearing process	When will the payment affect any interest you get or daily overdraft fee you pay?	When will the payment be available for you to use?	When can the cheque be returned unpaid?
<p>'2-4-6' Cheques paid into a Lloyds Bank/ Bank of Scotland:</p> <ul style="list-style-type: none"> ■ Branch counter; ■ Cashpoint (that accepts cheque payments in); ■ Depositpoint (if available); ■ IDM (if available). 	From the second working day after we receive the cheque.	From the fourth working day after we receive the cheque.	Up to the end of the sixth working day after we receive it <i>even if you have already spent it (which may put you into overdraft)</i> . From that time, we cannot take money from your account without your consent if the cheque is returned unpaid, unless you have been fraudulent.
'Cheque Imaging'	By 11.59pm on the working day after we receive the cheque.	From 11.59pm on the working day after we receive the cheque, at the latest.	Up to 11.59pm on the working day after we receive the cheque.

If you pay in a cheque at a Post Office with a counter service, the Post Office will send your cheque onto us. This means you will usually need to add an extra working day to all the timings in the table above (or two extra working days if you pay it in after the Post Office's cut-off time). You can pay in cheques at most Post Offices using a personalised paying-in slip and a cheque deposit envelope. Please ask the Post Office you intend to use if they offer this service and what their cut-off time is for accepting deposits.

'2-4-6' clearing process

If you pay a sterling cheque into your account over a counter at a Lloyds Bank branch on a Monday, you will see it on your account the same day. It counts towards any interest on Wednesday (2 working days), you can use the money on Friday (4 working days), and we cannot take the payment out of your account after the following Tuesday (6 working days).

'Cheque Imaging' process

If you pay a sterling cheque into your account on a Monday, you will see it on your account the same day. It counts towards any interest and you can use the money on Tuesday by 11.59pm at the latest.

Important Information

We may refuse a cheque for payment into your account if it is more than six months old.

4.5 International payments into your account

If we receive a direct payment or cash in a foreign currency, we will convert it into sterling before we pay it into your account. We will then treat it like any cash deposit or direct payment (see above). For some non-EEA currencies, we may be unable to convert the payment into sterling on the day we receive it. If so, we will convert it as soon as we are reasonably able to and will add it to your account up to two working days after we receive it. We'll also value-date it on the day we receive it.

What rates and charges apply to an international payment into your account?

- You can find out our current standard exchange rate for the payment by calling us (see 'How to contact us'). Please note that the rate may change by the time we receive the payment.
- We may take our charges for dealing with an international payment before we add it to your account. If we do this, we will tell you the full amount of the payment and the charges that applied.

4.6 International cheque payments

If you want to pay in a foreign currency cheque, or a sterling cheque, where the paying bank is outside the UK, the Channel Islands, the Isle of Man or Gibraltar, you must sign your name on the back of the cheque. We may not be able to accept cheques in all foreign currencies. We generally try to 'negotiate' a cheque but if we can't, or if you ask, we can 'collect' it.

Negotiating or collecting a cheque – what's the difference?

If we negotiate the cheque, we will buy it from you by paying you the amount of the cheque or the sterling equivalent on the working day after we receive it using our standard exchange rate for the payment.

If we collect the cheque, we send it on your behalf to the paying bank. We may use an agent to do this. We will pay the amount of the cheque or the sterling equivalent using our standard exchange rate for the payment into your account on the day we get payment from the paying bank. The time this takes will vary depending on the paying bank or its country. You can ask us for details.

Any foreign currency cheque will only affect any interest we pay or daily overdraft fee we charge from the working day that the funds are credited to your account.

If the foreign bank later returns the cheque or asks for the money to be returned, we will take the currency or the sterling equivalent from your account. If we converted the cheque to sterling, we will change it back into the foreign currency using our standard exchange rate for the payment. We will do this even if you have already spent the money or it will put you into overdraft. This normally means we take more from your account than we originally paid in. The exchange rate for the foreign currency may also have worsened between our paying the money in and taking it out.

Additional information about foreign cheques

- We take charges for dealing with foreign cheques and pass on to you any charges by the foreign bank, including any charges resulting from the foreign bank returning the cheque unpaid or asking for the money to be returned. We take these charges from the account you told us to pay the cheque into.
- Occasionally we cannot get payment of foreign cheques because of local foreign-exchange or other restrictions.
- If we have any costs or other obligations as a result of negotiating or collecting a foreign cheque, you must reimburse us and take any other steps needed to put us in the position we would have been in had we not tried to negotiate or collect the cheque.

4.7 General terms about payments

If we are told, for example by another bank, that money has been paid into your account by mistake, we can take an amount up to the mistaken payment amount from your account. We do not have to ask you to agree to this, but will let you know if it happens. We will act reasonably and try to minimise any inconvenience to you.

If we become aware that a payment into your account was made by mistake or fraud within two months of receiving the payment, we will:

- make sure the amount of the payment is not available to you to use (we might do this by taking the amount out of your account or by limiting access to the amount in the account); and

- tell you we will return the payment to the paying bank unless you tell us within 15 working days that the payment was not made by mistake or fraud. If you do not respond within 15 working days, we will return the amount to the paying bank.

If we become aware that a payment into your account was made by mistake or fraud more than two months after the receipt of the payment, we will normally contact you before restricting your use of the amount in the account.

If we cannot return the funds to the payer, we may give information about you and your account to the payer's bank so they can recover the money.

We may refuse to accept a payment into an account or make a payment from it if we reasonably believe that doing so may:

- cause us (or another company in the Lloyds Banking Group) to breach a legal requirement; or
- expose us (or another company in the Lloyds Banking Group) to action from any government or regulator.

5. How can you take cash or make payments out of your account?

5.1 Making a payment

If you want to make a payment or withdraw cash, we will check we are dealing with you as set out in Section B.

If we receive a payment instruction after the cut-off time on a working day, we will act on it on the next working day. The cut-off time for making payments depends on how and where a payment is to be made, but for a payment in sterling within the UK is not usually before 2.30pm (UK time). You can ask us for details, and we give some extra information about cut-off times for particular payments in Section N.

If you ask us to make a payment on a future date, we will make the payment on that date, unless it is a non-working day, in which case we will make the payment on the following working day.

What happens if you don't have enough available funds?

If you ask us to make a standing order or future-dated payment and do not have enough available funds to make the payment on the due date, we will try again to make the payment later that day. If there are still not enough available funds, we'll make a final try on the next working day before rejecting the payment.

If you want to make any other type of payment but don't have enough available funds in your account to cover it at the start of the day, you have until 2.30pm that day to pay money in to make sure the payment goes. If you still don't have enough available funds after 2.30pm, we won't make the payment. We won't charge you for this and we'll tell you we've rejected the payment.

5.2 Payment details

For us to make a payment for you within the UK, we normally need the sort code and account number or card number and any other details we ask for. For some payments we may ask for different details; for example, we will ask you for a mobile telephone number if you use the Pay a Contact service.

To make an international payment we will also need the recipient's full name and address, their bank's name and address and the following details:

- For international payments in euro to a bank account in a SEPA country – the international bank account number (IBAN) of the recipient's account. Sometimes we will also need the business identifier code (BIC).
- For international payments in a currency other than euro to a bank account in a SEPA country – the international bank account number (IBAN) and the business identifier code (BIC) of the recipient's account.
- For any other international payment – the recipient's account number and other information we need for the particular payment, for example if there are individual requirements in the country you wish to send money to.

You must check that the details are correct before asking us to make a payment.

5.3 When can we stop you making payments?

We can stop or suspend your ability to make payments using any device or security details if we reasonably consider it necessary because of:

- security – including if you tell us you have lost your device;
- suspected unauthorised or fraudulent use of a device or your security details; or
- a significantly increased risk that you may be unable to pay any money you owe us on the relevant account.

If we do this, we will act in a reasonably appropriate way and will try to reduce your inconvenience. Unless the law prevents us doing so or we reasonably believe it would undermine our security measures, we will try to contact you in advance to tell you we are doing this and why. If we cannot tell you in advance, we will tell you as soon as possible afterwards.

If we stop a card or other device, you must not use it, and we can take it if you try, for example in a cash machine.

5.4 When can we refuse to act on an instruction?

We can refuse to make a payment or allow a cash withdrawal if:

- our internal security controls require you to produce additional identification or prevent us carrying out the transaction (for example, if it is for more than the maximum amount we set at any time) – we will let you know if we are stopping a payment for this reason;
- the payment seems unusual compared with the way you normally use your account, in which case we may investigate further, for example by calling you;
- you do not have available funds to make the payment or you have exceeded a limit we have applied to your account or device – such as the daily limit for withdrawals from cash machines;
- the payment instruction is not clear or does not contain all the required details;
- the account you want to pay is not included in the Faster Payments scheme – you can check this with us in advance;
- there is a regulatory requirement that tells us to;
- we reasonably believe that you or someone else has used, is using or obtaining, or may use or obtain a service or money illegally or fraudulently;
- we reasonably believe that someone else may have rights over money in your account (in this case we can also ask – or require you to ask – a court what to do, or do anything else we reasonably need to do to protect us); or
- any other reason set out separately in this agreement applies.

5.5 What happens if we refuse to act on an instruction?

Unless the law prevents us, we will try to contact you to tell you we are refusing, or are unable, to act. We will do this as soon as we can and before the time any payment should have reached the bank or building society you are sending it to. If you are using a card to make a payment or withdraw cash, the retailer – or organisation that owns the cash machine – will tell you the payment has been refused. For certain contactless transactions, the retailer or organisation may not be able to confirm at the point the card is used that the transaction has been refused. If you want to check whether a transaction has been accepted, you can call us (see 'How to contact us').

Additional information about failed payments

- You can contact us to find out (unless the law prevents us telling you) why we have refused to act on your payment instruction and how you can correct any factual errors that led to our refusal.
- We are not liable if a retailer or another organisation (or its cash machine or other machine) does not accept your card or card number.

5.6 Making direct debits

We allow direct debit payments to be collected from your account on the date specified in any direct debit instruction you have given to a business or other organisation (in the UK or EEA). They will normally tell you at least 10 working days before changing the payment dates or amount of money to be collected from your account, unless you agree otherwise.

Additional information about SEPA direct debits

- Direct debits that are collected in euro under the SEPA Direct Debit Scheme will be taken during the working day. You should ensure you have available funds to cover the amount of these direct debits.
- You can ask us for more details on how payments are made under the SEPA Direct Debit Scheme.
- You can tell us how often you want a SEPA direct debit collected from your account e.g. monthly.
- You can tell us to limit a SEPA direct debit collection to a certain amount.
- You can tell us to block the collection of all SEPA direct debits from your account until you have agreed to have the block removed.
- You can tell us to block the collection of SEPA direct debit payments by particular businesses or organisations until you agree to have the block removed or ask us to only allow them to be collected by particular businesses or organisations until you tell us otherwise.

5.7 Using your device for payments

If you use your card to withdraw cash or to make a payment, we will take the funds from your account after we receive confirmed details of the withdrawal or payment from the relevant payment scheme (such as Visa or MasterCard). This may be on a working or a non-working day.

If you use your device for a transaction (e.g. a cash withdrawal or a payment) in a currency other than sterling, we will convert it to sterling on the day it is processed by the payment scheme. The exchange rate we use is set by the payment scheme. We also apply charges to these transactions. You can find our charges in our Banking Charges section. You can find out the current exchange rate by calling us (see 'How to contact us').

Additional information about card payments in another currency

If you use your card to withdraw foreign currency from a cash machine in the UK, you will be dealing with the bank operating the machine (rather than us) for the conversion into foreign currency. That bank will set the exchange rate and may also charge you for the conversion.

We may replace your card with a different type of card available under this agreement following a review of your personal circumstances. We will tell you about the features of the card when we send you the replacement card. If the change would alter the terms of this agreement, we will give you notice as set out in Section G.

We may replace a Cashpoint card with a card that allows you to make purchases as well as to use cash machines.

5.8 Can you cancel or change a payment?

You cannot change or cancel a payment instruction that you have asked us to make immediately (including payments by card) but you can cancel a direct debit, standing order, regular card payment and any other payment you asked us to make on a future date. To do this, you must tell us by the end of the last working day before the payment is due to be made. If you wish to cancel or change a direct debit or regular card payment (or if your account or card details change), you should also tell the business or organisation you're making the payment to, so they can cancel or change it as well.

If we have made an international payment for you, we can only recall it (or any part of it) if the recipient bank agrees.

If you ask us to cancel a payment instruction we may charge you our reasonable costs for trying to cancel it, whether or not we succeed. We will tell you the amount of our charges for this at the time you ask to cancel, but this will never be higher than our reasonable costs. In addition, if an international payment is returned to your account, we will change it back into sterling using our standard exchange rate for the payment. That exchange rate may be different from the exchange rate applied to the original payment, so the amount paid back into your account may be less than that originally taken.

If we are told by a banking industry payment scheme such as the Current Account Switch Service that a person you have asked us to pay has switched their account to another bank, we will update your instruction with the new account details. This will mean your payment reaches the correct account within the agreed timescales.

5.9 Making, stopping and replacing cheque payments

When we receive a cheque you have written, we will take the money from your account on the same day. We may not accept a cheque for payment out of your account if it is more than six months old. You are responsible for making sure you have available funds in your account to cover any cheques you have written.

You may be able to stop a cheque that has not yet been paid by calling us with details of the cheque number, amount and date, the payee and similar details for any replacement cheque. We may charge for trying to stop the cheque, whether or not we succeed.

If someone asks you to replace a cheque (because, for example, they say it is lost or there is a problem with it), you are responsible for getting the old cheque back (and for destroying it), or for asking us to stop the old cheque, before you write a new one. If you do not do this, there is a risk that both the old and replacement cheques will be paid from your account.

You should not ask us to pay a cheque later than when we receive it by writing a future date on it. We will not be liable if we pay the cheque before that future date.

Section D – How long will your payment take?

This section tells you how quickly we send payments to the payee's bank.

Meaning of words we've used	
EEA	The European Economic Area, which means the countries in the European Union plus Iceland, Norway and Liechtenstein.
SEPA	The Single Euro Payments Area. In Section N we include a list of the countries in SEPA.

6. Payments within the EEA in EEA currencies

UK payments (except card and cheque)

Type of payment	How long will the payment take to reach the payee's bank after we take it from your account?
Immediate payment	Normally no more than two hours after we take the payment from your account. It may arrive on the next working day if the account you are sending it to cannot accept Faster Payments.
Future-dated payment or standing order to another UK bank account	Normally no more than two hours after we take the payment from your account on the day we send it. It may arrive on the next working day if the account you are sending it to cannot accept Faster Payments. Standing orders and future dated payments can be made on working days only.

International payments (available from current accounts only)

Payments in euro to another EEA country, Monaco, Switzerland or San Marino	No later than the next working day.
Payments in other EEA currencies / Swiss francs to another EEA country	No later than four working days.
SEPA Direct Debit Scheme	On the date we have been given for payment unless this is a public holiday in the other bank's country (in which case, this will be on the next working day).

The payee's bank must pay the funds into the payee's account on the day it receives the payment from us.

Payments outside the EEA or in non-EEA currencies

You can ask us for details about how long the payment should take to arrive. We cannot control exactly when it will be received by the foreign bank. This will depend on the banking practice of that country but should be no longer than 14 working days. There is more information on timescales in Section N.

7. Additional information about international payments

- If you ask us to make a payment in a foreign currency, we will use our standard exchange rate for that payment at the time we make it unless we agree a different rate with you when you ask us to make the payment. Our exchange rates may depend on the amount of the payment and how we process it, for example whether you choose to pay all charges or whether they are shared. You can find out the current exchange rates by calling us – see 'How to contact us'.
- If you make a sterling payment, we cannot control the exchange rate applied by the foreign bank.
- When you ask us to make an international payment, we will tell you about any charges that may apply.
- We have to send an international payment through the banking system in the foreign country and we may need to appoint an agent in that country to do it for us.
- If we necessarily incur any costs or other obligations when acting for you in making an international payment, you must reimburse us and take any other steps needed to put us in the position we would have been in had we not acted for you.

Section E – Interest and charges

On some accounts, we pay interest on amounts we hold for you. If your account allows you to borrow, we charge a daily overdraft fee on amounts you borrow, and also have fees and charges for some accounts and some services.

8. Where can you find information about our interest rates and account fees?

Our Banking Charges section or additional conditions contain our interest rates, daily overdraft fees and charges for all accounts and services. You can also get the details by contacting us or through our website (see 'How to contact us').

9. How do we work out how much interest to pay or daily overdraft fee to charge?

- 9.1 Unless we have told you otherwise, we calculate any interest we pay at the end of every monthly billing period, based on the daily balance of your account.
- 9.2 We pay interest by crediting it to your account. We pay any interest on amounts credited to your account as they become part of the account balance. The additional conditions will tell you when we pay interest on your account. This is usually monthly, three-monthly, six-monthly or yearly. If interest is due to be paid on a non-working day, we will pay it up to, and on, the next working day.
- 9.3 We pay interest 'gross' and it counts towards your personal savings allowance (a tax-free amount on income from savings). You are responsible for paying any tax you owe directly to HM Revenue & Customs.
- 9.4 We calculate any daily overdraft fee by looking at the balance of your account at the end of each day. This includes weekends and bank holidays. We then take the amount of the daily overdraft fee out of your account overnight. We may take a daily overdraft fee and other account charges you owe us from the same account or from any other account you have with us. When we charge a daily overdraft fee it becomes part of your balance. This means that if we charge a further daily overdraft fee, we base it on the total balance including previous fees.

Section F – Overdrafts

We offer Planned Overdrafts on most of our accounts, so if we agree you can have one, you can borrow up to the agreed limit when you need to.

Meaning of words we've used

available funds	<p>This is</p> <ul style="list-style-type: none"> ■ the amount of any credit balance on your account; plus ■ the unused amount of any Planned Overdraft; <u>less</u> ■ any funds showing in your account that are not yet available for use (like recent cheque deposits) and any payments we have authorised but not yet taken from your account.
Planned Overdraft	An overdraft up to a limit we agree in advance.

10. When do you have to repay an overdraft and what does it cost?

- 10.1 When you apply, we will give you Planned Overdraft terms. If we do not tell you how long your Planned Overdraft is available, it will continue until ended by you or us.
- 10.2 An overdraft is repayable 'on demand'. This means we can ask you to repay it (or part of it) at any time.
- 10.3 We will review your Planned Overdraft regularly and can reduce or remove any limit based on this review. This might happen, for example, due to a change in your personal circumstances. If any changes are to be made to your Planned Overdraft limit, we will give you at least 30 days' notice unless we need to take action sooner to protect our interests or for regulatory reasons.
- 10.4 We may charge a daily overdraft fee on our Planned Overdrafts, unless your balance is within any daily overdraft fee-free amount. Details of the daily overdraft fee that applies to overdrafts are set out in our Banking Charges section.
- 10.5 If you do not have available funds, you may not be able to make that payment. If a payment isn't made, we will tell you.
- 10.6 If a payment is made that takes you over your Planned Overdraft limit, we will not charge you a daily overdraft fee for the part that is above your Planned Overdraft limit. We'll continue to apply the daily overdraft fee to the amount of your Planned Overdraft. We may also ask you to repay the unarranged amount. We may reject any further attempted payments until you have enough available funds to cover these payments.

Section G – How and when we can make changes to this agreement

As this agreement could last a long time, we will need to change its terms occasionally.

We can foresee some of the reasons why it would be fair for us to do this, and have listed them below, but we may in the future also want to make changes for other reasons. We will tell you about these changes, and how they will affect you, in advance. You can generally close an affected account or end your relationship with us if you do not want to accept any change we tell you about. In fact, with most of our accounts, you are free to terminate the relationship at any time.

We cannot change terms that we tell you are fixed, such as interest rates that are fixed for a set period.

11. What can we change?

- 11.1 We can change the general or additional conditions that apply to a particular account, benefit or service.

i
We may change any of the terms in this booklet, the interest rates and charges that apply to an account, or the terms on which we provide a benefit that forms part of an added-value account.

- 11.2 We can change the package of benefits included as part of an added-value account (such as travel insurance) and, if a benefit is not provided by us, the provider of the benefit. The new provider may offer the replacement benefit on different terms.

i
We may change the provider of an insurance benefit or change the benefits that are included in a package.

- 11.3 We may also change your account to a different account type as set out in condition 26.

12. Why can we make a change?

Meaning of words we've used

reference interest rate	An interest rate that is publicly available and linked to a rate we do not set – like the Bank of England base rate.
regulatory requirement	Any law, regulation, code or industry guidance that applies to us including a requirement of a court, ombudsman or similar body or an undertaking given to a regulator.

- 12.1 We can make a change for a reason set out below. If we do, the change will be a reasonable and proportionate response to a change that is affecting us or that we reasonably think will affect us.

Reason	For example
A change in regulatory requirements.	We may have to update our security terms because new legislation introduces tighter standards.
To do something positive for you.	Our payment terms may have to change because new technology enables you to make payments more quickly.
A change in the cost of running our accounts, including changes in our funding costs.	Changes to the Bank of England base rate that increase or decrease the interest rates we pay savers may affect how much we charge for our overdraft.
Any other change that affects us, if it is fair to pass the impact of the change on to you.	We may introduce new measures to combat fraud or make changes to reflect developments in digital banking.

- 12.2 We may make changes for any other reason we cannot foresee.

i
We may need to respond to changes in the banking sector caused by increased competition that affects how we provide our services and what we charge for them.

- 12.3 If the interest rate on your account is a 'tracker' rate, the rate will change automatically in line with the reference interest rate it is linked to. The additional conditions will say how soon the tracker rate will change after a change in reference interest rate.

- 12.4 We can change our standard exchange rates at any time.

13. How and when will we tell you about changes and what are your rights?

13.1 In the tables below we explain how we give notice to change terms on particular accounts.

Meaning of words we've used

managed rate	A rate that we set, and can change, and that isn't a reference interest rate.
non-material changes	Changes to a managed rate where the balance of your account is £100 or less.
payment account	A current account or other deposit account that is not a restricted savings account.
personal notice	A notice we give you individually, for example by letter, electronically or in statement messages or inserts.
published notice	A notice we put in our branches, on our website and, sometimes, in national newspapers.
restricted savings account	Any Cash ISA, fixed-term deposit or other savings account that has limited payment capability. The additional conditions for an account will tell you if it is a restricted savings account.

13.2 Restricted savings accounts

Type of change	Notice	Timing of notice before or after the change	Can you close or switch the account without charge?
Interest rate changes that favour you or are non-material (not tracker rates)	Personal or published	As soon as possible, normally within 3 days	Yes, unless the additional conditions say you cannot.
Changes to other terms that favour you or are neutral	Personal or published	No more than 30 days after	
Material changes to interest rates (not tracker rates) that disadvantage you	Personal	At least 14 days before	Yes within 30 days of the notice.
All other changes that disadvantage you	Personal	At least 2 months before	Yes, at any time before the change.

13.3 Payment accounts (including overdraft changes)

Type of change	Notice	Timing of notice before or after the change	Can you close or switch your account without charge?
Changes to interest rates or the fees charged on overdrafts that favour you	Personal or published	No more than 30 days after	Yes, unless the additional conditions say you cannot.
All other changes	Personal	At least 2 months before	Yes, at any time before the change.

13.4 What are your rights if you want to close or switch an account in response to notice of a change?

For a change where we have to give you advance notice, you can tell us you do not want to accept the change using the contact details at the start of this booklet. We will take this as notice that you wish to end the agreement or close or switch your account immediately (which may require you to repay any overdraft on the account). If there is normally a charge for closing or switching your account, it will not apply. If we do not hear from you, we will regard you as accepting the change on the date it comes into force.

Section H – How we manage joint accounts

If two or more of you are joint account holders, you can each give us instructions on your own. This section explains how we deal with you and what happens if the arrangement between you comes to an end.

14. What do joint account holders need to know?

- 14.1 We will make payments, allow withdrawals, give information (including about your account) or do anything else if we are asked to do so by any one of you, unless a regulatory requirement means we must make enquiries or confirm instructions with the other account holder. We can also rely on information given by any one of you about the other(s).

Examples of things any joint account holder can do without the knowledge of the other(s)

- Take all the money in an account.
- Close an account.
- End a service.
- Ask for electronic statements and correspondence (instead of paper).
- Apply for overdrafts, cards and other services.
- Replace an account or service with another account or service covered by this agreement.

Examples of things we can do for one account holder that count as if we did them for the other(s)

- Provide any information about your account, but if you are receiving statements at only one address you can ask us to send you separate account statements if the account holders live at different addresses.
- Record and act on information that any of you gives us about another of you.
- Provide pre-contract information to the person who asks us to set up a Planned Overdraft.
- Send a notice to just one of you.

- 14.2 You are each, separately, responsible for complying with the terms of this agreement. If any one of you does not comply, we can take action against any or all of you.

If there is an overdraft on a joint account, each of you is liable to repay it even if you did not know about it.

15. What happens when the arrangement between joint account holders changes or ends for any reason?

- 15.1 When this agreement ends (or your account is closed), we may pay or transfer money we hold for you under this agreement (or in the account) to any one of you.
- 15.2 If you want to change the joint account holders (by taking off or adding another person) or authorise someone else to operate the account, you must all agree to this.
- 15.3 If we become aware of a dispute between you, we may take steps to prevent any of you giving instructions or using the account individually until the dispute is ended.
- 15.4 If one of you dies, we may continue to act on the instructions of the remaining account holder(s) but we do not have to do so in all cases.

Section I – Can someone else operate your account?

16. How can someone else operate your account?

- 16.1 If you want or need someone else to operate your account, you must generally either sign a form we give you or show us a power of attorney, signed by you, which authorises them to operate your account.
- 16.2 In certain circumstances, the law may require us to allow someone else to operate your account – for example, if you are no longer able to manage your money, or if you go bankrupt or die.
- 16.3 For security reasons, we may not allow another person access to all of the services we provide to you. If we do allow them to use a service, you can tell them your security details as long as they agree to keep them safe.
- 16.4 We are not responsible for an act (or failure to act) by someone else allowed to operate your account as long as we did not know or suspect they were acting dishonestly towards you.

17. Third party providers

Meaning of words we've used

third party provider	A service provider authorised by law to access information or make payments for you from your payment accounts.
----------------------	---

- 17.1 You can instruct a third party provider to access information on your accounts or make payments from your accounts online as long as it is open and transparent about its identity and acts in line with the relevant regulatory requirements. We will treat any instruction from a third party provider as if it were from you.
- 17.2 We may refuse to allow a third party provider to access your account if we are concerned about unauthorised or fraudulent access by that third party provider. Before we do this we will tell you and explain our reasons for doing so, unless it is not reasonably practicable, in which case we will tell you immediately afterwards. In either case, we will tell you in the way we consider most appropriate in the circumstances. But we won't tell you if doing so will compromise our reasonable security measures or otherwise be unlawful.
- We may make available to a third party provider a specific means of accessing your account. If we do, and it tries to access your account by a different way, we may refuse to allow that access.
- 17.3 If you think a payment may have been made incorrectly or is unauthorised, you must tell us as soon as possible even where you use a third party provider.

Section J – Who is responsible for any loss?

It is important for you to understand what you and we take responsibility for and when you may be liable under this agreement. This section also applies to any payments you make through a third party provider.

Meaning of words we've used

device	Anything such as a card, electronic wallet, smartphone or another device that you can use on its own or in combination with your security details to access your account or give instructions.
security details	Details or security procedures you must follow or use to make an instruction, confirm your identity or access a device (for example a password, security code (or PIN) or biometric data such as a fingerprint).

18. Incorrect payments

18.1 When will we refund incorrect payments?

We will refund the amount of a payment and any charges or daily overdraft fees you paid as a result of it, and pay you any interest we would have paid you on that amount, if:

- you asked us to make the payment to an account at another bank in the EEA and the payment was not made properly or never arrived, unless there was a mistake in any of the details in the payment instruction or we can show that the payment was received by the other person's bank. We will provide the refund without undue delay; or
- the payment was unauthorised (see Condition 19 'Unauthorised payments'). We will provide the refund as soon as we can and in any event by the end of the next working day.

Additional information about payment refunds

Except for direct debits or payments made using an overdraft, we will not refund the payment if you tell us more than 13 months after it was made that the payment was not made properly or was unauthorised.

If a payment goes to the wrong person or is delayed because you gave us the wrong details, we will not be liable but we will try to recover the payment for you. We may charge our reasonable costs for doing so. If a payment is delayed due to our error, you can ask us to ensure that the receiving bank credits the payment to the payee's account as if it had been made on time.

18.2 **Are there any special rules about refunds for card payments?**

If you have used your card to make a payment, you can ask us to refund the payment if all the following conditions are satisfied:

- the payment was made to a retailer in the EEA;
- you did not specify an exact amount to be paid;
- the amount taken was more than you could reasonably have expected to pay based on the circumstances, including your previous spending patterns; and
- you request a refund within eight weeks of the date the payment was made from your account.

18.3 If these conditions are not satisfied, we need not make a refund ourselves but we will tell you if we can help or suggest other steps you could take.

Additional information about payment refunds

We may ask you to provide information that is reasonably necessary to investigate whether you are entitled to the refund. In addition, you may also find it helpful to contact the person you paid using the card.

Within 10 working days of receiving your request (or of receiving any further information we have asked for), we will refund the payment or inform you of our reasons for refusing to do so.

18.4 **Are there any special rules about refunds for direct debit payments?**

If you think there has been an incorrect direct debit payment, you should tell us immediately so that we can arrange a full and immediate refund – even if the original error was made by the business or organisation that set it up. If the payment was made in euro under the SEPA Direct Debit Scheme, you must tell us within eight weeks after the debit date. After that time, we will only be able to provide a refund if the transaction was unauthorised.

18.5 You should tell the business or organisation what you have done and why. If they still think that you need to pay them, you will need to resolve the dispute with them directly. This does not affect your right to a refund, as set out above.

19. Unauthorised payments

You are not liable for any payments or withdrawals from your account that you do not authorise. If you are not liable for a payment, we will refund or pay the amount of the payment and any charges, interest or daily overdraft fees you paid or lost as a result of the payment. We will not have any further liability. There are two exceptions to this rule:

1. If we can prove you acted fraudulently, you will be liable for all payments from the account that we could not stop.

2. If we can prove you have been grossly negligent with your device or security details, you will be liable for payments from your account but only until you have told us your device or security details have been lost, stolen or could be misused. In some cases, you will not be liable for a payment instruction you did not give yourself. These include where we have failed to tell you how to report that your device or security details have been lost, stolen or could be misused or where the unauthorised payment was made by telephone or internet.

20. What happens if we break the terms of this agreement?

20.1 We are responsible if you suffer loss because we have broken this agreement. There are three exceptions to this rule:

1. We are not liable for losses or costs caused by abnormal and unforeseeable circumstances outside our reasonable control, which would have been unavoidable despite all efforts to the contrary. These include delays or failures caused by industrial action (e.g., strikes), problems with another system or network, mechanical breakdown or data-processing failures.

2. We are not liable for losses or costs where a regulatory requirement means we must break this agreement.

3. We are not liable for business losses or costs you suffer (such as loss of business profits or opportunities) as a result of anything we have done, as we make this agreement with you as a personal customer.

20.2 Nothing in this agreement limits our liability for acting fraudulently or very carelessly or otherwise excludes or limits our liability to the extent we are unable to exclude or limit it by law.

Section K – Using money between accounts ('set-off')

Sometimes we can reduce or repay amounts you owe us by using money we hold in other accounts for you.

Meaning of words we've used

regulatory requirement	Any law, regulation, code or industry guidance that applies to us including a requirement of a court, ombudsman or similar body or an undertaking given to a regulator.
------------------------	---

21. When can we use set-off?

- 21.1 If we are holding money in an account for you when amounts you owe us are overdue for payment, we may use the money in your account to reduce or repay the amount you owe us. We will only do this if we think it is reasonable, taking into account your circumstances (including that you will still have enough money to meet essential living expenses) and any regulatory requirements.
- 21.2 Amounts you owe us include amounts due under a loan, credit card, mortgage, overdraft or otherwise with us.
- 21.3 We can use our set-off right if you have accounts that are only in your name as well as joint accounts you hold with another person (X) as shown below:

Money in account for:	Set off against money owed by:
You only	You
You only	You and X
You and X	You and X
You and X	X
You and X	You

- 21.4 In addition, we can in the same way (unless prevented by insolvency law) use money you have in any of your accounts with us to reduce or repay any money you owe to another group company (with the Lloyds Bank or Scottish Widows name).
- 21.5 Even if there is a court decision against you or you are fined, we can use money you have in your accounts to pay something you owe us or another group company (including interest arising after the date of the final decision or fine), unless the court instructs us otherwise, or we are otherwise prevented by law.

- 21.6 Occasionally we receive legal instructions or notices to hold a customer's money for someone else or to pay it to someone else. If this happens, the money available to the other person will be what is left after we add up what we owe on the affected accounts and subtract what the first person owes us, including any interest arising after the legal instruction or notice, unless we decide otherwise or we are prevented by law.

22. Applying compensation payments to your accounts

- 22.1 If we decide to pay you money to settle a complaint or to pay you compensation regarding products covered by this agreement, we may put this money towards any amount you owe us for products covered by this agreement (such as an overdraft). We will do this in line with any regulatory requirements that apply to us.

Section L – Ending this agreement or an account, benefits package or service, or suspending a benefit or service

23. Suspending a benefit or service

- 23.1 We may suspend a benefit or service if we think you don't want it anymore because you have not used it for 12 months, or if you are no longer eligible for it. We will give you two months' notice in writing before doing so.

24. Ending this agreement or an account, benefits package or service

- 24.1 This agreement continues until you or we cancel or end it. The table below shows how this agreement (or any account, benefits package or service) can be ended. If we end it, we will act in a manner we think is reasonably appropriate for the circumstances and will try to reduce the inconvenience to you.

By	Reason	Notice
You	Any reason.	None (we may ask you to confirm in writing).
Us	If we reasonably consider that: <ul style="list-style-type: none"> ■ there is illegal or fraudulent activity on or connected to the account; ■ you are or may be behaving improperly (for example, in a threatening or abusive way); ■ by continuing the agreement we (or another company in the Lloyds Banking Group) may be exposed to action from any government, regulator or other authority or may break a regulatory requirement; or ■ you have seriously or repeatedly broken this agreement in any other way. 	None.
	You have not used an account for 15 years (or other period specified by law) and we have lost touch with you. In this case, we may transfer any money in the account to the 'reclaim fund' (a body set up to deal with unclaimed assets in dormant accounts). We will try to contact you before doing this.	For further details see Section N.
	Any other reason.	Two months (in writing).

- 24.2 When this agreement ends, any account covered by it will close and any benefit or service we provide under it will stop. You must also:
- (a) repay any money you owe us (including any payments you have made that have not yet been taken out of your account);
 - (b) pay any charges (including daily overdraft fees) up to the date the agreement, account or service ends;
 - (c) return anything that belongs to us or that we have given you, such as any device or unused cheques; and
 - (d) cancel any direct payments (such as direct debits, standing orders and regular card payments) into or out of your account. If someone sends a payment to your closed account, we will take reasonable steps to return the payment to the sender.
- 24.3 If this agreement (or a service or benefit under it) ends, it will not affect any legal rights or obligations that may already have arisen or any instructions already given.
- 24.4 When this agreement ends (or your account is closed) we will pay or transfer money we hold for you or owe you under this agreement (or in the account) to you, or to any other person you name in writing. However, we may keep enough money to cover anything you owe us or, if you have broken this agreement, any loss of ours that results.
- 24.5 In the event of your death, we may need to see a grant of probate, certificate of confirmation or grant of representation before releasing money in your account to your personal representatives.
- 24.6 After this agreement ends, we will keep our right of set-off and any rights we have under general law. We may continue to hold and use your personal data but only to the extent we need to do so as set out in our privacy notice referred to at the end of this agreement under 'How we process your personal information'.

Section M – Other important terms

25. Insurance

If insurance is included with your account, we hold any money we receive for you from the insurer regarding the insurance in our role as a bank and treat it like any other funds paid into your account. It is not held on trust for you (or as your agent in Scotland) or in line with the Financial Conduct Authority's client money rules. We hold on the insurer's behalf any insurance premiums we collect.

26. What happens if you do not meet the conditions we set for an account type?

- 26.1 We may change an account you hold with us to a different account, including one with a different or no benefits package (and lower regular account fees), if:
- (a) you do not pay (or you go over your Planned Overdraft limit to pay) your regular account or benefits package fees twice in a row;
 - (b) you stop being eligible for your existing account or any of the benefits on your account in any other way;
 - (c) you are no longer resident in the United Kingdom;
 - (d) you hold more than one added-value account; or
 - (e) you make a complaint and we agree that the account may not be suitable for you.

Before changing your account to a different account, we will give you at least two months' notice. We will only change your account to one that we believe is a reasonably suitable alternative.

27. Transferring rights and obligations

You may not transfer any obligations or rights, benefits or interests under this agreement or in your accounts (or income from them) or create any security over money in your accounts in favour of someone else unless we say you can in writing.

28. Not enforcing this agreement

We may not always strictly enforce our rights under this agreement; for example, we may allow you more time to pay what you owe or we may charge you a lower daily overdraft fee, or none at all. If we do this, it will be just a temporary measure and we may enforce our rights strictly again.

29. How can you complain?

If you feel we have not met your expectations in any way, please let us know so that we can tackle the problem as quickly as possible. We have a three-step procedure to resolve your concerns.

(a) Step 1 – Let your usual point of contact know

Tell us about your complaint and how you think it could be resolved by calling into any branch, calling us on **0800 072 3572 (+44 1733 462267** from overseas), 24 hours a day, seven days a week, textphone on **0800 056 7614 (+44 1733 347500)**, or contacting your relationship manager or Business Manager, if you have one.

We will try to resolve your complaint by the end of the third working day after you contact us. If we cannot do this, we will write to you within five working days to tell you what we have done to resolve the problem, or acknowledge your complaint and let you know when to expect our full response. We will also let you know the name and contact details of the person or team dealing with your case.

(b) Step 2 – Follow-up

To follow up your complaint with Customer Services, you can ask the person you raised your complaint with to refer the matter to them or write to Lloyds Bank, Customer Services, BX1 1LT.

(c) Step 3 – Financial Ombudsman Service

If you disagree with the decision we make, you can refer the matter to the Financial Ombudsman Service free of charge. The Financial Ombudsman Service provides a way of resolving disputes if you're unhappy with something we've done. Details are available from us on request or you can get further information at www.financial-ombudsman.org.uk

You may be able to submit a claim through the European Online Dispute Resolution Platform (available at <http://ec.europa.eu/consumers/odr/>) if you live outside the United Kingdom or if you prefer not to deal directly with the Financial Ombudsman Service.

30. Law applying to this agreement

- 30.1 Unless you are resident in Scotland when the conditions in this agreement first apply to you, English law will decide any legal questions about it, and about our dealings with you with a view to entering into this agreement. The courts of England and Wales will also be able to deal with any legal questions connected with this agreement.
- 30.2 If you are resident in Scotland when the conditions in this agreement first apply to you, Scots law will decide any legal questions about it, and about our dealings with you with a view to entering into this agreement. The Scottish courts will also be able to deal with any legal questions connected with this agreement.
- 30.3 This agreement applies even if any term of it contradicts or overlaps with any law that applies, unless the law says we cannot agree with you to change or exclude the effect of that law.

Dormant balances

We participate in the unclaimed assets scheme established under the Dormant Bank and Building Society Accounts Act 2008, which enables money in dormant accounts (i.e., accounts that have been inactive for 15 years or more) to be distributed for the benefit of the community while allowing customers to reclaim their money.

Under the scheme, we may transfer balances of dormant accounts to Reclaim Fund Ltd (RFL), a not-for-profit reclaim fund authorised and regulated by the Financial Conduct Authority.

If we transfer the balance of your account to RFL, you will have the same rights against RFL to reclaim your balance as you would have done against us. However, we remain responsible for managing the relationship with you and for handling all repayment claims on behalf of RFL. Therefore, you should continue to contact us in the usual way if you have any questions or complaints about dormant accounts or balances.

Both we and RFL participate in the Financial Services Compensation Scheme (FSCS). Any transfer by us to RFL of your balance will not adversely affect any entitlement you have to compensation from the FSCS.

International payments

Our international payments service means you can make an electronic payment from your Lloyds Bank current account to another person outside the UK (whether in sterling or another currency), or in a currency other than sterling to another person in the UK. Depending on the amount you wish to send, we may ask for additional ID before we can accept your instructions for an international payment. You can use this service through our branches with a counter and using Internet or Telephone Banking. There is a £5,000 limit for any international payment made through Telephone Banking, and a limit of £100,000 for international payments made through Internet Banking.

The cut-off time for making payments depends on how and where a payment is to be made.

Your payment	Cut-off time
International payment in euro made through one of our branches with a counter or by Telephone Banking	No earlier than 2pm and no later than 3pm
International payment in a currency other than euro made through one of our branches with a counter or by Telephone Banking	3pm
International payment in any currency made through Internet Banking	3pm

Section D explains how long any payment should take to arrive. Please bear in mind that countries outside the UK may have different non-working days, and this could affect when the person you have sent money to is able to draw it out.

As we explain in Section D, if you make a payment outside the EEA or in a non-EEA currency, we cannot control how long it will take to arrive. You can ask us for details when you make your payment. However, as a guide, it should generally take no longer than four working days for a payment in one of our standard available currencies to reach North America, Canada, South Africa, Australia, New Zealand and countries in Europe and the Middle or Far East. A payment in any currency to most other countries operating electronic payment systems should take no longer than 14 working days.

The Single Euro Payments Area (SEPA) currently consists of the countries of the EEA plus Aland Islands, Azores, Canary Islands, French Guiana, Gibraltar, Guadeloupe, Guernsey, Isle of Man, Jersey, Madeira, Martinique, Mayotte, Monaco, Reunion, Saint Barthelemy, Saint Martin, Saint Pierre and Miquelon, San Marino and Switzerland.

We will confirm the details of your international payment, including the sterling equivalent of the payment, the charges we apply and any breakdown of these, along with the exchange rate we applied immediately before the payment leaves your account. This information may also appear on your account statement. If you make a transfer in one of our branches with a counter, we'll give you a receipt at the time. If you use Telephone Banking, we'll confirm all the details to you over the phone. And if you use Internet Banking, you can print one off yourself. Your receipt will show the exchange rate used and the amounts involved. If you need a receipt in writing after the payment has been processed, just contact us.

CHAPS

The cut-off time for making CHAPS payments is 4.25pm.

Tax

We pay interest 'gross' and it counts towards your personal savings allowance (a tax-free amount on income from savings). The first £1,000 of overall savings income earned by basic rate taxpayers will be free from income tax, the first £500 for higher rate taxpayers, and there is no allowance for additional rate tax payers. You are responsible for paying any tax you may owe to HM Revenue and Customs (HMRC).

Cancellation

We hope you're happy with the account or service you've chosen. However, if you're not you have 30 days from opening the account or taking the service to cancel it without charge by writing to us, visiting any branch, or contacting us by telephone or online through Internet Banking. Our details are shown in the 'How to contact us' section. We will then help you to move to another account we offer or will return your money to you with any interest you have earned on it. This right does not apply to fixed-rate, fixed-term accounts. If you have used an Overdraft you will have to repay it before you can cancel. If you cancel an ISA, you'll still be able to open another ISA in the same tax year.

If you have a Planned Overdraft you can also cancel it at any time by writing to us, visiting any branch or contacting us by telephone or online through Internet Banking. If you do so, you must repay any overdrawn balance.
