5. How many entries will I get into the prize Draw?

You will receive one entry for every cumulative £10 you spend using your debit card during the Draw period. There is no maximum number of entries you can get into the Draw. For example, if you spend £23 on your debit card, you will receive 2 entries into the draw.

If you have more than one eligible personal current account brand (Lloyds, Halifax, or Bank of Scotland), you must **activate the Draw separately for each brand**, and entries will accrue separately for each account based on spend on the corresponding brands debit card.

For example, if you have a Lloyds and a Halifax current account, activate the Draw using Rewards, Everyday Offers and Cashback Extras and spend £10 on both your Lloyds and Halifax debit cards, you will get two entries. You must activate the Draw separately for each brand.

Transactions cannot be combined across brands to qualify for an entry.

6. Joint account specific terms

Each joint account party can enter the Draw but must activate the Draw individually.

To qualify for an entry, you must spend £10 in your own name during the Draw period. Only transactions completed by you personally will count towards your eligibility. Transactions made by other account holders cannot be combined with yours and transactions cannot be combined across brands.

7. What types of debit card purchases are eligible for the Draw?

Transactions can be made online or in person, including payments using your debit card through Apple Pay or Google Pay.

If you cancel any of the transaction(s), receive a refund or any of the payments are identified as likely to be fraudulent, then those transactions won't be included within the Draw.

10. How the winners are chosen

One winner will be chosen at random within 4 weeks of the closing date by **Bright Blue Day (BBD)** on behalf of Lloyds Bank plc using a computer process that produces verifiably random

results. A reserve list will also be selected if the winner is not able to claim the prize or eligible to claim the prize.

The winners' names including, title, full name, email address and telephone number will be shared with BBD and Visa for the purpose of notification and fulfilment of the prize.

You can only win once.

11. How we announce winners

Winners will be contacted by via phone from 07763 942076 and e-mail from either

- lloyds-winners@brightblueday.com
- halifax-winners@brightblueday.com
- bos-winners@brightblueday.com

If no response from the winner (within 7 days from the initial winner email) the winner's prize will be forfeited and the next reserve will be contacted. The winner acknowledges that, due to the nature of the prize, time is of the essence in responding to the notification of their win.

We reserve the right to substitute any prize for a prize of equal or greater value. This applies to a prize as a whole or certain elements of it. A prize must be accepted as offered and there is no cash alternative.

Neither the Promoter nor Visa or BBD will accept any liability for any participant with an incorrect email address or phone number or for any email going into the winner's spam or junk email folder.

We will publish or make available information indicating that a valid prize took place – ordinarily the winner's surname and county and, if applicable, the winning entry. Winners may object or ask us to reduce what we publish. Whether or not you object, we may still need to provide details to the Advertising Standards Authority (ASA) if challenged. To request the winners' list within 90 days of award please visit one of our branches.

If you are a potential winner, we can require you to give us reasonable proof of your identity, age and address. We will explain what you need to do when we contact you.

If anyone falsely claims to be a winner, they are liable to pay us any associated costs, losses, damages and expenses (including our costs in awarding a genuine winner).

If a potential winner dies before we're due to award their prize, their personal representative can claim it on behalf of their estate. The personal representative must show us proof of their authority to act (like a grant of probate).

12. If mistakes are made

We do our best to make sure all qualifying customers, and only qualifying customers, are entered into the Draw. However, it is possible that in a small number of cases a non-qualifying customer could be entered, or an error takes place in relation to a qualifying customer. We will take reasonable steps to make sure this doesn't happen and correct any errors where reasonably possible – however should such cases arise; we will not be responsible to any customers.

Our decision is final in all matters relating to the Draw, and we won't respond to further questions about it. We don't accept any liability if communications about the Draw with either ourselves or BBD get lost, damaged or delayed.

13. How can we change or end the Draw.

We reserve the right to delay or cancel the Draw without notice because of:

- legal or regulatory issues;

- systems failure;
- a third party failing to carry out services; or
- any other cause beyond our reasonable control.

If this happens, we'll put a notice on our website as soon as we practically can.
