

## Policy Limits

### Home Insurance cover comparison

We offer two levels of cover: Lloyds Bank Home Insurance – a tailored, flexible offering, and Lloyds Bank Home Insurance Premier – a more inclusive offering where additional cover is included as standard, with higher limits in key cover areas. The table below shows what cover is included and what is optional under each level of cover.

### Home Insurance – the detailed limits that apply

Here is a detailed breakdown of the different cover levels and limits offered as part of our Lloyds Bank Home Insurance.

With our Home Insurance Premier cover your home and belongings are covered for an unlimited amount. This means we'll pay the full repair or replacement costs should you make a claim. We've done this so you don't have to work out the value of your home and its contents. This doesn't mean that you're paying for more cover than you need. When we work out how much you'll pay, we use details like your address, type of home (i.e. a flat or a house which could be a semi or detached) and how many bedrooms you've got.

However, there are some areas where the amount of cover does have a limit. These include 'High risk' items like TVs and jewellery, or if your home isn't safe to live in and you have to stay elsewhere. You'll also have to pay any policy excesses that may apply if you make a claim.

Please refer to your quotation or policy schedule for specific details of your policy, selected coverages, their limits and any excesses payable in the event of a claim.
