Finance solutions designed to help you achieve your goals.

## For use by intermediaries and other professionals

### An overview of Private Banking Lending

The prospect of entering into a new business enterprise, financing a new property or simply meeting short term expenses may result in a requirement for additional funding.

Whether your client requires a straightforward lending solution or a more tailored approach, we have solutions to suit various borrowing needs.

Our dedicated Private Banking Lending team will take the time to understand their circumstances and select the optimal solution for their needs.

### Term Loans

Our loans have been specifically designed to cater for their medium to long term needs. Loans can be Interest Only or Capital and Interest repayments.

### Buy to let loans

Our Buy to let loan allows your client to purchase property with a view to letting it out to tenants (Up to 10 Properties).

### Guarantor Loans

Our guarantor loan allows your client to guarantee a family members borrowing.

### Self build mortgage

Our self build loans are specifically designed to assist clients who wish to build their new home or renovate their current one, broken down into stages the loan will be structured to meet the needs of their project with the added support of our Private Banking lending team.

- Tailored to suit their specific project and time frame
- Allows them to draw down funds as and when they need them to support the project.

### Bridging loan

Our Bridging Loan is designed to help your client purchase their new home in advance of selling their existing home. Repayment would come from the sale proceeds of their existing home. These loans are available on an open basis where contracts have not been exchanged for their sale or on a closed basis where contracts have been exchanged.

### Overdrafts

Private Banking overdrafts are designed with your clients day to day needs in mind, allowing them the flexibility to draw funds as and when they need them, providing them with a high level of convenience for their short term lending needs.

All of these products have individual terms and conditions. Fees and charges will apply.
