# Cashback on debit card spending

As a Lloyds Premier customer, you can earn 1% cashback on your debit card spend, up to a maximum of £10 every month, for each account.

For example, spending £850 on eligible transactions would earn £8.50 in cashback for that month.

## To qualify for cashback you must:

- be 18 or over;
- be a UK resident – your address must be in the UK;
- have your Lloyds Premier account open for the whole month.

## Excluded transactions:

- × Cash withdrawals.
- × Gambling.
- × Cryptocurrency.
- × Debt repayments. For example, direct debits, Bank transfers made with or without your credit card or loan repayments.
- × Financial services transactions. For example, money transmission orders, purchases of foreign currency or travellers' cheques. Also, purchases of financial services such as insurance.

## Eligible purchases:

- ✓ Cashback can only be earned on transactions made with your Lloyds Premier debit card within the applicable month. Allow 14 days for transactions to clear. Transactions that clear after 14 days may not count.
- ✓ You can transact online or in person, including payments using your Lloyds Premier debit card with Apple Pay, Google Pay or similar digital payment wallets.
- ✓ If you use your debit card outside of the UK, we'll calculate cashback on the amount after converting into pounds. Visa will convert the amount into pounds the day the transaction is processed using their exchange rate.
- ✓ If you cancel a transaction, receive a refund or if any of the debit card payments are identified as likely to be fraudulent, then those transactions may not count.
- ✓ You must make sure that you have enough money in your account to cover the transactions. If we decline a transaction, it will not count.

## How does it work?

You can earn cashback as soon as you start using your Lloyds Premier debit card.

For joint accounts, both cards can earn cashback up to the maximum value of £10 per account.

We'll usually pay cashback into your Lloyds Premier account by the end of the following month.

You'll see it as "Premier cashback" on your statement.

## Other things to be aware of:

- Any cashback earned is rounded to the nearest penny.
- If your Visa debit card is lost, stolen, blocked or expires during the offer period, some transactions may be cancelled and may not count towards cashback.
- If your Lloyds Premier account is closed before any earned cashback is paid, we'll try to credit this to another current account or savings account held in your sole or joint name. The statement description may vary if this happens.
- If we're unable to locate a suitable account, we may send a cheque to the address we have for you. Cashback earned across two debit cards in a month may show separately on your statement. The statement description may vary if this happens.
- We use the Merchant Category Code (MCC) set by each business to analyse transactions. Sometimes, this means certain purchases won't qualify for cashback. We can't change these codes.
- We're not responsible for any loss, cost or charge if this cashback offer is unavailable or affected by something beyond our control.
- We won't pay cashback if we reasonably believe you've broken this agreement or you have tried to gain a cashback offer payment by fraudulent or other illegal means.
- We reserve the right to change or modify this offer at any time. If we do make a change, we'll let you know at least 60 days before the change.
