Explore New Markets

- **Country Profiles** include a range of economic and market data, as well as cultural guidance on how to conduct business in the country.
- **Calculate the cost of trade** through intuitive customs calculators, and view the shipping documents you need.
- **Tender information**, both public and private, available to browse, set up alerts, and respond.

Keep up to date

- **Brexit** driven changes will be updated in real time, with customs calculators allowing you to toggle between preferential and potential non-preferential tariffs.
- **COVID-19** sections added to country profiles to keep you up to date with how each country is responding and recovering.
- **Incoterms 2020** to help guide you through regulations and terminology.

Why choose Lloyds Bank

Lloyds Bank is part of Lloyds Banking Group, one of the UK's leading retail and commercial banks and have been serving our clients for over 250 years. Our trade operations sit firmly within the UK, with a dedicated hub of 180 people in Birmingham, covering multiple time-zones and serving clients from small SMEs up to large multinationals.

Our Lloyds Online Trade Services (LOTS) platform is also able to meet many trade needs digitally, helping you trade efficiently and resiliently. Thanks to this and to our international network of partner banks, Lloyds Bank supports clients in over 100 countries worldwide.
